### AMPS First Time User Access

**If you have a DoD issued Common Access Card (CAC):**  
You must have your CAC inserted in your computer if you want AMPS to register your CAC. This will allow you to access AMPS without having to enter a username and password.

**Attention DLA Employees or Contractors:**  
This process is for **Non-DLA** users only. If you are a DLA employee or Contractor DO NOT continue with this registration. Your account in AMPS should have automatically been created for you. Ensure that you are accessing AMPS from the DLA network with your CAC. If the problem persists, contact the Help Desk at the number listed below.

**Select Your User Type:**
