

**DLA WEAPONS SUPPORT (RICHMOND)**

# Industrial Gas Program (IGP)

For CENTCOM Southwest Asia Theater of Operations

DLA Weapons Support (Richmond) awarded an industrial gas support contract to Inchcape to supply industrial compressed gases to Military and Federal activities in the Central Command (CENTCOM) Southwest Asia Theater of Operations.

The CENTCOM Industrial Gas Program includes:

- Supplying various types and grades of compressed and liquified gases in a variety of cylinder sizes.
- Delivering full cylinders to the customer's site in most cases.
- Picking up empty cylinders from the customer's site in most cases.

DLA Weapons Support (Richmond) provides industrial compressed gas cylinders, each with a unique National Stock Number (NSN), for various product classes, grades, gas purity levels, service pressures, Department of War (DOW) cylinder specifications, capacities, and sizes. The relationship between the NSN and their empty cylinder counterpart is illustrated on the [National Stock Number cross-reference table](#).

A full cylinder consists of a cylinder complete with valve, filled to a standard capacity with a specified product. A full cylinder can be received in Government Furnished Property (GFP) cylinders that must be returned to the contractor if repairable or in a disposable cylinder.

Customers are encouraged to return empty GFP cylinders as soon as possible for refurbishment and filling for the next customer. Holding onto cylinders can delay delivery for subsequent customers.

**NOTE:** This program does NOT include Class I Ozone Depleting Substances (ODS) managed by the DOW ODS Reserve Program Office. Continue to use established ODS Program procedures and Points of Contact.

# Benefits

- Easy ordering
- Return/pick-up of empty cylinders
- Fast delivery
- Quality products
- Competitive pricing – Customers only pay for gas. NSN prices do not include the cost of the cylinder
- Technical support
- Safety Data Sheet availability
- Vendor-managed pool of government-furnished property (GFP) cylinders
- Maintenance of Cylinders
- Reduces: Supply Management Tasks, Storage Footprint, Cylinder Fees

## Delivery is based on priority. The delivery schedule is as follows:

IPG I  
(PRIORITY 01-03)  
12 DAYS

IPG II  
(PRIORITY 04-08)  
16 DAYS

IPG III  
(PRIORITY 09-15)  
16 DAYS

The exception to the above delivery order schedule is for ABO (Aviator's Breathing Oxygen) and refrigerants, where delivery is 45 days due to origin inspection requirements.

### Customer Returns of Empty/Excess Cylinders:

The preferred method of customer return is direct through Inchcape. Contact Inchcape to arrange for cylinder pickup. Customers will need to provide details regarding the empty 8120 cylinder NSNs and quantities.

DLA has provisions in place for Customer Returns of Empty/Excess Cylinders for theater customers not serviced through direct returns to Inchcape. They should process and retrograde excess cylinders in accordance with current Theater Supply Policy.

Customers are responsible for palletizing cylinders for returns.

**For Cylinder Turn-ins:** +97334189940 or +97338275573

Email: [dlagasproject@iss-shipping.com](mailto:dlagasproject@iss-shipping.com)

[issgovernment.services@iss-shipping.com](mailto:issgovernment.services@iss-shipping.com)

**NOTE:** Empty 8120 cylinders are not available for requisition under this contract. Requisitions for empty cylinders will be fulfilled by the CONUS Industrial Gas contract. Orders filled with the CONUS contract will have extended delivery times as material originates in CONUS.

It is important that all units identify and turn in all repairable empty GFP cylinders for refurbishment and refill. Non-repairable cylinders should be disposed of locally. A cylinder return factsheet is available on the IGP website to help identify what is considered repairable and non-repairable.

## Ordering Information:

- For pricing information, go to: <https://www.fedmall.mil/index.html>
- The minimum buy quantity is one (1) cylinder; the maximum buy quantity is 256 cylinders.
- Service/Government agency automated ordering systems using MILSTRIP/FEDSTRIP (Standard Form 344)
- Online shopping using a Government credit card through FedMall at: <https://www.fedmall.mil/index.html>
- For Ordering Assistance, please contact the Customer Interaction Center at:
  - Toll-Free: 1-877-352-2255 (1-877-DLA-CALL)
  - DSN CONUS/OCONUS: 877-352-2255
  - Email: [dlacontactcenter@dla.mil](mailto:dlacontactcenter@dla.mil)
