The following updates have been incorporated into this solicitation:

1. Remove the following language in Section H-902:

“The annual FPA will be calculated as the average of the months in which there was an FPA disincentive.”

2. Replace the following language in Section H-902:

“FPA disincentives will be reported monthly, calculated monthly, and applied to the payment of the Level of Support CLIN annually. The disincentive amount will be determined as the average of all months in which there was a disincentive percentage multiplied by the dollar value of the Level of Support CLIN after reconciliation of the CLIN value occurred for the previous performance period.”

WITH

“FPA disincentives will be reported monthly, calculated monthly, and applied to the payment of the Level of Support CLIN annually. The disincentive amount will be determined by the sum of all months in which there was a disincentive percentage divided by the number of months within that period of performance in which the FPAs occurred. This percentage will then be multiplied by the dollar value of the Level of Support CLIN after reconciliation of the CLIN value occurred for the previous performance period.”

3. Replace the following language and table in Section H-902:

“Below is an EXAMPLE of how a disincentive would apply under the resulting contract:
Annual Level of Support CLIN for Warner Robbins ALC: \$40,000,000

Current Table”
