

DLA Weapons Support (Richmond) Industrial Gas Program

Central Command (CENTCOM)

DLA Weapons Support (Richmond) provides industrial compressed gases and cylinders to Military and Federal activities in the Central Command (CENTCOM) Southwest Asia Theater of Operations. The selected vendor, Inchcape Shipping Services of Dubai, UAE (CAGE Code - 1NSLW) provides gases for various product classes, grades, purity levels, service pressures, Department of War (DoW) cylinder specifications, capacities and sizes. The CENTCOM Industrial Gas Program provides the following:

- A menu of compressed and liquefied gases in a variety of cylinder sizes.
- Delivery of full cylinders to the customer's site.
- Charged for the product only. No extra charge for returnable Government Furnished Property (GFP) cylinders.
- Pickup for empty reusable cylinders from the customer's site (in most cases).
- The Contract offers Competitive Pricing – Customers only pay for the gas, and not for cylinder refurbishment or hydrostatic testing.

For additional gas NSNs not available on the CENTCOM contract, customers may requisition from the CONUS contract as it supplements the CENTCOM contract for those items not available. Customers must, however, consider the transit time when requisitioning from the CONUS contract. For additional information on the Industrial Gas program, please contact the Program Manager at (445) 737-5477, (DSN 392)737-6725.

Requisition Industrial Gas requirements using Service/Government agency automated ordering systems using MILSTRIP/FEDSTRIP (Standard Form 344) or shop online through the Department of War FedMall.
