

DLA Weapons Support, Richmond Industrial Gas Program European Command (EUCOM)

DLA Weapons Support, Richmond awarded an Industrial Gas contract to International Gas and Services (IGS) in Willebroek, Belgium, to supply industrial compressed and liquefied gases to Military and Federal activities in Europe. The European Industrial Gas Program includes:

- Supplying various types and grades of compressed and liquefied gases in a variety of cylinder sizes.
- Charged for the product only. No extra charge for returnable Government Furnished Property (GFP) cylinders.
- The Contract offers Competitive Pricing – Customers only pay for the gas, and not for cylinder refurbishment or hydrostatic testing.
- Delivering full cylinders to the customer's site.
- An exchange program that includes delivering full cylinders and picking up empty cylinders from the customer's site.

An AE302 form is required with every cylinder delivery and empty cylinder pick up. Instructions will accompany this form and are also located on the Industrial Gas Program website. The AE302 is a customs form required by EU regulations to allow our US Government cylinders to travel throughout the EU without being taxed or ceased. It is imperative that customers sign and return the AE302 to the customs office in Belgium.

For additional gas NSNs not available on the EUCOM contract, customers may requisition from the CONUS contract as it supplements the EUCOM contract for those items not available. Customers must, however, consider the transit time when requisitioning from the CONUS contract. For additional information on the Industrial Gas program, please contact the Program Manager at (445) 737-5477, (DSN 392)737-6725.

Requisition Industrial Gas requirements using Service/Government agency automated ordering systems using MILSTRIP/FEDSTRIP (Standard Form 344) or shop online through the Department of War FedMall. For Navigation, Ordering Assistance or Procedural issues with FedMall please contact the Customer Interaction Center at: DSN CONUS/OCONUS: Toll-free: 1-877-352-2255 (1-877-DLA-CALL) or Email: dlacontactcenter@dla.mil
