

DLA Aviation's Industrial Gas Support Program for CENTCOM

(This program does NOT include Class 1 Ozone Depleting Substances (ODS) – Continue to use established ODS Program procedures and Points of Contact)

DLA Aviation, Richmond awarded an industrial gas support contract to Inchcape Shipping Services of Dubai, UAE (CAGE Code: 1NSLW), to supply industrial compressed gases to Military and Federal activities in the CENTCOM Theater of Operations in Southwest Asia. The CENTCOM Cylinder & Gas Support Program includes:

- Supplies a menu of compressed and liquefied gases in a variety of cylinder sizes.
- Delivers full cylinders to the customer's site.
- Charges for product only. No extra charge for returnable reusable cylinders.
- Pick up for empty reusable cylinders from the customer's site (in most cases).

Continue to order Industrial Gas requirements using Service/Government agency automated ordering systems using MILSTRIP/FEDSTRIP (Standard Form 344) or shop online through DoD FedMall.

For Navigation, Ordering Assistance or Procedural issues with FedMall please contact the Customer Interaction Center at:

DSN CONUS/OCONUS: 877-352-2255 or Email: dlacontactcenter@dla.mil

Industrial Gas & Cylinder Program information available at:

<https://www.dla.mil/Aviation/Offers/Products/Commodities.aspx>

For additional gas NSNs not available for ordering off the CENTCOM contract, customers may order off the CONUS contract as it supplements the CENTCOM contract for those items not available. Customers must keep in mind the transit time when ordering off the CONUS contract.

For additional information on the Industrial Gas & Cylinder program, please contact the Program Manager at (804) 279-5477 (DSN 695).
