

*****NOTICE DoD PRODUCT SUBSCRIBER*****

NGA has discovered print errors on three hardcopy IFR Enroute charts effective 6 December 18 (cycle 1813), including ENAME H-11 (Front) and H-12 (Back), L-17 (Front) and L-18 (Back), and L-19 (Front) and L-20 (Back). Replacement charts will be delivered automatically to DLA subscribers and they will also be available in softcopy via the FLIP DVD (NSN 7644015335389; NRN PLANXCDDVDFLIP) or they can be downloaded from the NGA NIPRNET website (<https://aerodata.nga.mil/AeroDownload>). **The original three charts should be destroyed upon receipt of the replacement charts."**

If you have any questions or concerns about these replacement charts please contact the Aeronautical Help Desk at 1-877-817-9134
