## Who We Are:

DLA Aviation is the aviation demand and supply manager for Defense Logistics Agency with more than 4,000 civilian and military personnel in 18 locations across the United States. DLA Aviation supports more than 1,800 weapon systems and is the U.S. military's integrated material manager for more than 1.2 million national stock number items, industrial retail supply and depot-level reparable acquisitions.

DLA Aviation plays a pivotal role in supporting our Soldiers, Marines, Sailors, Airmen, Coast Guardsmen, and other customers by providing targeted solutions and full-spectrum logistics support.

## DLA's Mission:

Sustain warfighter readiness and lethality by delivering proactive global logistics in peace and war.

## DLA's Vision:

We are the nation's combat logistics support agency: global, agile and innovative; focused on the warfighter first.

## Why:

To serve the warfighter and our nation.

## Core Values:

Leadership, professionalism, and technical knowledge through dedication to duty, integrity, ethics, honor, courage and loyalty.

## What We Do

- Weapon Systems Support — engine components; bearings; airframes; electrical cable assemblies
- Industrial Support — maintain retail supply and storage in direct support of aircraft maintenance depot production lines
- Procurement Agent — strategic acquisition of consumable and depot-level reparable material
- Industrial Plant Equipment — full range of maintenance services to include repair, rebuilding and acquisition of all types of industrial machinery, including lathes and milling machines
- Maps — maps, charts, publications and digital geospatial products for all DoD activities
- Kitting — flexible kit designs, service and support, oriented to maintenance users, by end-item for specific tasks
- Environmental — green products; re-refined motor oil; environmental products catalog and information Web page; ozone-friendly chemicals; remanufactured toner cartridges; recycled antifreeze

## Our Performance
