

MEMORANDUM OF AGREEMENT

EAGLE Telework Management

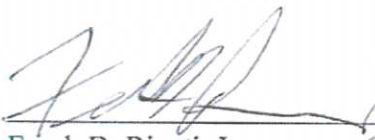

The Defense Logistics Agency (DLA) and the American Federation of Government Employees Council 169 (AFGE) enter into this Memorandum of Agreement over DLA's implementation of the EAGLE Telework Management (ETM) system, electronic process DLA employees will use to request, renew, cancel, and otherwise manage their participation in DLA's telework program.

Therefore, the Parties agree to the following:

1. The Parties will continue to follow the telework procedures found in Article 9 of the Master Labor Agreement.
2. AFGE Council 169 bargaining unit employees will be given a reasonable amount of time but no less than fourteen (14) calendar days to add their existing telework agreement into the ETM system. If an employee fails to upload their agreement within this timeframe, DLA will give the employee an additional opportunity to add their agreement before taking action.
