FOR
Return to In-Person Implementation Plan**

This Memorandum of Agreement between the Defense Logistics Agency (Agency) and the International Federation of Professional and Technical Engineers Local 7 (Union) recognizes the agreed upon provisions for Return to In-Person Implementation Plan.

- Every employee required to return to the office must be provided a desk, electricity, internet service, access to a copier and any other accessory/utility, as determined by management, required to perform their duties.
- Since the cafeteria remains an important amenity, the Agency agrees to provide a cafeteria or other eating establishment for breakfast and lunch for employees assigned to a Monday through Friday work schedule. However, the Agency can determine continued operations based on budget considerations and mission-related needs.
