

Connect with your Federal Benefits through the new Government Retirement & Benefits (GRB) Platform™

The GRB Platform™ is an enterprise system that provides the Defense Logistics Agency (DLA) and its serviced employees access to information regarding government wide benefit programs, such as Federal Employee Health Benefits (FEHB), Federal Employee Group Life Insurance (FEGLI), Thrift Savings Plan (TSP), Civil Service Retirement System (CSRS), Federal Employee Retirement System (FERS), as well benefits offered under BeneFEDS.

Access Information

To access the GRB Platform™ go to: <https://employees.hr.dla.mil/tools/GRB.asp>

Benefit Enrollments/Changes

The GRB Platform™ provides employees with the ability to perform enrollments and changes for FEHB, FEGLI, and TSP during open season or due to qualifying life events. Employees can review coverages for benefit that they are currently enrolled in, and benefits they may want to take advantage of in the future.

Calculators

Several estimators and calculators are available to allow employees to perform "what-if" scenarios concerning their retirement benefits:

- Annuity
- TSP Projected Account Balances
- FEGLI Premiums
- High-3 Average Salary
- TSP Contributions
- Social Security
- TSP Loans
- TSP Withdrawals

Total Compensation Statement

The GRB Platform™ provides employees with a comprehensive up-to-date picture of the full value of their compensation and benefits.

Resource Library

The GRB Platform™ contains a comprehensive resource library of documents, fact sheets, informational videos, electronic forms, calculators, and links relating to each government-wide Federal benefit program and links to external websites. With e-learning capabilities, employees at all stages of their career (including orientation for new employees) can access a catalog of courses to support understanding their benefits and planning their retirement.
