

What is FedMall? How do I access it?

FedMall is an e-commerce ordering system for Department of Defense (DoD), Federal, State, and authorized local Agencies to search for and acquire products from government reserves and commercial sources. Buyers will have access to tens of millions of individual items of supply, from centrally managed DoD and General Service Administration (GSA) assets to commercial off-the-shelf (COTS) products.

- As a customer, you will access FedMall by visiting: <https://www.fedmall.mil>

Note: Suppliers have their own access via the FedMall Supplier Portal. If you are making your items available for purchase in FedMall, please reference the Supplier Registration Quick Start Guide for more information.

Registering as a FedMall Customer

Before you begin

Before you start, be sure that you have each of the following (if you don't or aren't sure, see the sidebar):

- A valid authentication certificate, such as a CAC card, PIV card, or a soft certificate available to your web browser.
- If you intend to have purchasing authority, the credit card (e.g. Government Purchase Card, GPC) information and/or MILSTRIP information.

Steps to register

- Visit FedMall at <https://www.fedmall.mil>
- You will be brought to the FedMall Commerce Landing page. From here, you will have to register through the Procurement Integrated Enterprise Environment application (PIEE).
Click "PIEE Single Sign On" in the top right Corner.

- You will be brought to the PIEE Landing Page.

HOW DO I AUTHENTICATE TO FEDMALL?

To access the FedMall Supplier Portal, you will need to authenticate (identify) yourself with any of the following:

- Common Access Card (CAC):** a credit-card-sized smart card issued by the DoD to uniformed service personnel, DoD civilian employees, and eligible contractors. For more information, visit: <https://www.cac.mil/Common-Access-Card/Getting-Your-CAC/>
- Personal Identify Verification (PIV) card:** a credit card-sized smart card issued by the U.S. Federal Government in accordance with Homeland Security Presidential Directive 12 (HSPD-12) requirements for a common identification standard for all Federal employees and contractors. For more information, visit: <http://fedidcard.gov/credget.aspx>
- Public Key Infrastructure (PKI) certificate:** As an alternative to the physical smart card, you may also obtain a software-based X.509 certificate, which you import a file into your browser's personal certificate store. For more information, visit: <https://public.cyber.mil/eca/>

CUSTOMER? SHOPPER? BUYER?

Everyone who uses FedMall to browse, search, select, and/or buy items from FedMall suppliers is known as a *customer*.

When you first register as a customer, you will be able to shop for items (shopper) and pay for them using a Government Purchase Card (buyer). You may also request additional permissions (e.g., to pay for items via MILSTRIP), or send your shopping cart to those with purchase authority. Regardless, all of these users are customers.

Managing My Account

At any time you can view and update your account information from the “My Account” link in the header.

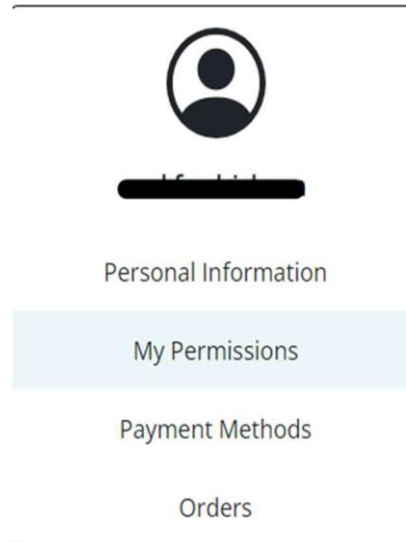

This will load the My Account Summary page, which contains an overview of the Personal Information page and a summary of Recent Order History.

To **edit your personal account information**, use the “Personal Information” link under *My Account: Settings*, or click the “Edit” link on the *My Account Summary* page.

To **request additional permissions** (e.g., to request permission to pay via MILSTRIP), click on “My Permissions” and submit the request for the applicable permission following the directions provided.

To **add a credit card** (e.g., Government Purchase Card, GPC) to your user account, click on “My Payment

Methods.” When adding a payment method, FedMall will automatically verify the DODAAC is authorized for financial transactions. If DODAAC validation services are unavailable, FedMall may permit you to proceed. You will be responsible to ensure the DODAAC is correct; otherwise, your orders will be rejected.

To **view order history**, use the “Order History” link under *My Account: Orders*, or click the “View all orders” link on the *My Account Summary* page (under “Recent Order History”).

To **view requisition lists**, use the “Frequently Purchased Items” link under *My Account: Orders*.

Requesting Additional Permissions

Although your primary registration as a customer in FedMall does not require any external approvals, there are additional permissions that you may request in order to perform specialized tasks. These are available by selecting “My Permissions” from the My Account page.

ROLES & ACCESS	
<p>DDE Through MOES Access Request</p> <p>Request only if you are a current JDA Collaboration Customer submitting Demand Data Exchange. Requesting this permission will allow you to submit a DDE file from MOES (the MILSTRIP Order Entry System, available from the Tools menu) via the "DDE Upload" tab. Only two users are permitted for each command.</p>	
<p>WSSP Read-Only User Request</p> <p>Requesting this permission will allow you to access WSSP, which is used to manage WS1 transactions. The read-only permission will allow you to search for but not initiate transactions. You must specify one or more RIC(s).</p>	
<p>WSSP User Request</p> <p>Requesting this permission will allow you to access WSSP, which is used to initiate WS1 transactions. WS1 transactions are used to update (add, change, or delete) weapons coding on NSNs and are meant to tell DLA the importance of an item to a weapon system for use in DLA management decisions and better support the customer. With WSSP you may search for, upload, edit, and delete transactions, as well as send transactions to DAAS and view the status and response from DAAS. You must specify one or more RIC(s).</p>	
<p>SDA User Request</p> <p>Granted to DLA Users only. Requesting this permission will grant access to the Source of Supply Delivery Acknowledgement functionality within the Receive Orders / Requisitions (MRA Search) tool. Users with this permission may view and submit SDAs for orders/requisitions generated by FedMall.</p>	
<p>MILSTRIP/FEDSTRIP Payment Method Request</p> <p>Requesting this permission will allow you to pay for items using a MILSTRIP Fund Code, i.e. interfund billing. With this permission, you will have the option to add a new interfund billing / MILSTRIP payment method on the 'My Payment Methods' screen. Such payment methods may be used to purchase items with the blue "MIL" icon. This permission also enables financial transactions via the MILSTRIP Order Entry System (MOES).</p>	
<p>State Purchase Card Payment Method Request</p> <p>Requesting this permission will allow you to add a State/Local Government-issued Purchase Card as an additional payment method, if you are employed by a State or Local Government wishing to pay by credit card. With this permission, you will have the option to add a new State/Local Government-issued Purchase Card on the 'My Payment Methods' screen.</p>	

FedMall requires the MILSTRIP/ FEDSTRIP payment requestor to complete, acknowledge the statements below, and submit the form in FedMall.

1. “I acknowledge that I have been granted authority to obligate funds on behalf of my company, agency, or organization. My Supervisor, Commander, or any other approving official in my chain of command has been given authorization to approve my use of this payment method”.
2. “I am authorized by my organization to request products be ordered for my organization via a valid MILSTRIP Fund Code, and I am requesting to do the same on FedMall. I have provided the required signatures below. I certify that the above information is true and that I am currently employed

by the organization that appears on this letterhead.”

The User is then granted MILSTRIP payment method.

<p>MILSTRIP/FEDSTRIP Payment Method Remove</p> <p>Granted by Automatic Approval on 07/31/2023, 10:49:45 am</p>	
<p>Requesting this permission will allow you to pay for items using a MILSTRIP Fund Code, i.e. interfund billing.
