Defense Enterprise Data Standards Office Meeting Notes

PQDR

Date: April 2, 2025

I. PURPOSE

The Defense Enterprise Data Standards Office (DEDSO) received formal concurrence from the Deputy Assistant Secretary of Defense for Logistics ODASD(Log) on Approved Defense Logistics Management Standards (DLMS) Change (ADC) 1443 Product Quality Deficiency Report (PQDR) Policy Migration. ADC 1443 was signed on 27 January 2023. This ADC serves to inform the Department of Defense (DoD) Components that the Defense Logistics Manual (DLM) 4000.25, Volume 2, Chapter 24, is replacing Joint Service Regulation Defense Logistics Agency Regulation 4155.24/AR 702-7/SECNAVINST 4855.21/AFI 21-115/DCMA INST 1102 as the DoD authoritative source for PQDR-related guidance.

III. AGENDA ITEMS

a. Proposed DLMS Change (PDC) 1443C PQDR Policy Migration:

Ben Breen, PQDR Administrator, presented a draft of PDC 1443C, reviewed the revised methodology, and highlighted changes including his adjudication and resolutions of previous deferred comments. The document was posted to the PQDR Teams channel for committee review and links were provided in the chat. Committee members were asked to provide any questions or comments in the comment section prior to the next scheduled bi-weekly meeting, to be finalized by the end of the month.

Ben announced the addition of Mr. Corbin Austin to the DEDSO PQDR team and noted potential upcoming changes in committee representation. The need for updated appointment letters to ensure distribution list accuracy was emphasized.

DCMA utilized the committee discussion forum to request support in identifying points of contact to assist in updating their inspection system assessments checklist. Committee members were receptive, and Ben is willing to facilitate and possibly include it as an upcoming agenda topic.
