Commander, Joint Logistics Systems Center
ATTN: JLSC/MMA
Also: Coast Guard (G-ELM-2)

1. The Memorandum of Meeting at Enclosure 1 is forwarded to Report of Discrepancy (ROD) Focal Points for information.

2. Pursuant to the enclosed memorandum, I have scheduled a meeting for 18-20 July 1994, to address the development of standard codes for SDR initiator action and response/disposition. Proposed codes are shown at Enclosure 2. A minimum of one individual representing each of the Services, the Defense Logistics Agency, and the Joint Logistics Systems Center is expected to attend. Additional attendees are welcome. The meeting will be held in the Defense Logistics Management Standards Office Conference Room (Room 205), 6301 Little River Turnpike, Alexandria, VA 22312-3508. The meeting will begin at 1000

hours the first day. Government quarters and mess are not available at the meeting site. If you have any questions concerning local accommodations please contact Ms. Karen Naber, (703) 274-8016 ext. 201 (DSN 284-8016). You will be advised if JLSC's funding is available for this meeting.

3. I have included at Enclosure 3 the Defense Logistics Management System (DLMS) Release 2.0 Volume 2 chapter which addresses policy and procedures for the submission of SDRs. The development phase of the Modernization of Defense Logistics Systems (MODELS) Program was recently completed. DLMS Release 2.0 has been released to the Services/Agencies for implementation planning (see Enclosure 4).

4. The point of contact for this letter is Ms. Ellen Hilert, DoD ROD Administrator, (703) 274-4701, ext. 407 (DSN 284-4701). Component representatives are requested to contact Ms. Hilert or Ms. Naber by 6 July 1994 to confirm their attendance.
