0015 ACDC

Administrative Approved Cataloging Data Change (ACDC) 0015, Annual Service Updates to Volume 10, Table 117 by US Nay, US Air Force, and US Army

Synopsis This administrative change documents updates and additions to Cataloging Data and Transaction Standards (CDTS), Volume 10, Table 117, Depot Source of Repair (DSOR) Code to Maintenance Activity Cross Reference, and associated FLIS DB2 Tables, resulting from annual Service updates. The US Navy, US Air Force, and US Army Services Maintenance Interservice Support Management Offices (MISMOs) coordinated and approved the documented changes in accordance with DSOR processes outlined in Service-level policies and procedures. This administrative change also approves a correction of DSOR Code AU in Volume 10, Table 117 to harmonize the entry with the corresponding FLIS DB2 table, as well as an update to language in Table 117, Part 1 to update referenced policy.
