Contact Information at:**

<https://www.dla.mil/Disposition-Services/Offers/Law-Enforcement/State-Coordinators/>

- **Annual Certification** – Each State and Law Enforcement Agency (LEA) is required to conduct an annual inventory physically on all equipment obtained through the LESO Program. Consult your State Coordinator for your State's internal due date.
- **Controlled Equipment** – As defined in your State Plan of Operation, equipment obtained through the LESO Program with a Demil code of B, C, D, E, F, G and Q3. This equipment will remain in assigned status for the entire time that the LEA has the equipment. LEAs must use adequate security and accountability measures for all controlled equipment. Demil code A and Q6 equipment is conditionally transferred to the LEA and will be controlled for one year from the ship date. The LEA must account for this equipment for one inventory cycle, and after one year the equipment will systematically be placed in a closed status on the LEA inventory.

- **FEPMIS** – **F**ederal **E**xcess **P**roperty **M**anagement **I**nformation **S**ystem. FEPMIS is used to provide accountability and management of controlled equipment which is conditionally transferred to LEAs participating in the LESO Program.
- **Modify** – The process by which an LEA and State Coordinator can update item attributes or transfer items from LEA-to-LEA within the state.
- **Partial Receipt** – Completed when an LEA receives less than the full quantity of an item they were originally approved for. Supporting documentation is helpful to the LESO for partial receipts (i.e. email from the DLA Disposition Services site the items were shipped from).

- **Split** – The process by which an LEA and/or State Coordinator can separate one or more items from the total quantity of a parent record into two or more separate records within LESO FEPMS. The split functionality is found within the modify queue in LESO FEPMS.
- **Supply Condition Code (CC)** – Used to classify material in terms of readiness for issue and use or to identify action underway to change the status of material. Basically, CC – A is “Brand new in the box”, while CC – H is “Not Serviceable for any use”.
- **Zero Receipt** – This type of receipt is completed when an LEA does not receive any of the equipment they were originally approved for. Supporting documentation is required by the LESO before the zero receipt will be approved.

The screenshot displays the LESO FEPMS web application. At the top, the header reads "LESO FEPMS: Search LESO Certification" and "User ID: VI_LEA". Below this, a navigation bar contains "Training Guide" and "LESO Certification Search Results". A red arrow points to the "Training Guide" button. The main content area includes dropdown menus for "State" (set to Vermont), "Division" (DEFAULT_DIV_VT), "Subdivision" (DEFAULT_SUBDIV_VT), and "Station" (HARTFORD POLICE DEPT). There is also a "Sort Order" dropdown set to "Item Name". Below these are radio buttons for "Inventory Search Filter": "Inventoried Items", "Not Inventoried Yet", and "Both". At the bottom of the form, there are buttons for "Submit", "Create Certification Report", and "Clear", each with a checkbox for "search certification matching filter values". A status bar at the bottom indicates "Inventory Begin Date: 05/01/2023", "Inventory Due Date: 09/30/2023", and "Inventory Countdown: Overdue!".

The LEA Training Guidebook is available in the
LESO Inventory module.

Below this, a navigation bar contains "Training Guide" and "LESO Certification Search Results". A red arrow points to the "Training Guide" button. The main content area includes dropdown menus for "State" (set to Vermont), "Division" (DEFAULT_DIV_VT), "Subdivision" (DEFAULT_SUBDIV_VT), and "Station" (HARTFORD POLICE DEPT). There is also a "Sort Order" dropdown set to "Item Name". Below these are radio buttons for "Inventory Search Filter": "Inventoried Items", "Not Inventoried Yet", and "Both". At the bottom of the form are buttons for "Submit", "Create Certification Report", and "Clear", each with a checkbox for "search certification matching filter values". A status bar at the bottom shows "Inventory Begin Date: 05/01/2023", "Inventory Due Date: 09/30/2023", and "Inventory Countdown: Overdue!".

The LEA Training Guidebook is available in the
