- c. Enter Your email address and password
- d. Select “Sign In”.

Request iNAP Reactivation User Guide

- e. Select two factor authentication, we recommend using the “Text Message” method.
- f. Select “Continue”.

The screenshot shows a web browser window with the URL `secure.login.gov/login/two_factor/options`. The page is titled "Select your authentication method" and includes the LOGIN.GOV logo. Below the title, it says "You set these up when you created your account". There are three radio button options:

- ☒ **Text message**
Get one-time code via text message to (***)
- ☐ **Automated phone call**
Get one-time code via phone call to (***) *** (North America phone numbers only).
- ☐ **Government employee ID**
Use your PIV/CAC card instead of a security code.

At the bottom of the options, there is a blue "Continue" button. Below the button, there is a link for "Cancel" and a note: "If you can't use any of the authentication methods above, you can reset your preferences by [deleting your account](#)."

- g. Enter your one-time code received via text.
- h. Select “Submit”.

The screenshot shows a web browser window with the address bar displaying 'secure.login.gov/login/two_factor/sms'. The page title is 'Enter the secure one-time code'. The main content area has a heading 'Enter your one-time code' and a message: 'We sent a text (SMS) with a one-time code to (***) ***. This code will expire in 10 minutes.' Below this is a text input field for the one-time code, with an example '123456' shown. A checkbox labeled 'Remember this browser' is checked. A blue 'Submit' button is highlighted with a red rectangle. Below the button is a link 'Send another code'. At the bottom, there is a section 'Having trouble? Here's what you can do:' with three links: 'Choose another authentication method', 'I didn't receive my one-time code', and 'Learn more about authentication options'. A 'Cancel' link is at the very bottom.
