WEIGHT CERTIFICATION: Royal Air Force Lakenheath reserve the right to check the weight of any vehicle loaded or empty on scales located at: RAF Lakenheath. Appointment will be set for Purchaser's transport vehicle to be weighed empty at this certified scale with RAF. Lakenheath's Qualified Recycling Program representative present. Weigh out process will be completed in the same manner at the same location. RAF. Lakenheath Qualified

Recycling Program representative will escort Purchaser's transport vehicle to the pick-up location on RAF Lakenheath. Certified scales usage fees are the responsibility of RAF Lakenheath's Qualified Recycling Program. Both, the Purchaser or representative and RAF Lakenheath Qualified Recycling Program representative will be present and will certify the weight of vehicle and vehicle load. Both parties will sign the weight ticket. All weight discrepancies will be resolved prior to departing the certified scale site. Certified weight ticket will be provided to Purchaser attached to the shipping document.

DEFAULT: If the Purchaser fails to pay for and or remove Recyclable Materials within the time allowed by this agreement, RAF Lakenheath's Qualified Recycling Program will send the Purchaser a default notice that must be cured within ten (10) days from mailing date. If Purchaser fails to cure default within the stated period, the Purchaser shall lose all rights, title and interest, which he may otherwise have acquired in and to such property as to which a default has occurred.

INSURANCE: The Purchaser shall be required to provide and maintain during the entire period of this contract, at least the motor vehicle liability and bodily injury insurance as required by State and local laws.

TRANSPORTATION: The Purchaser must possess a valid driver's license, insurance and registration of vehicle for access RAF Lakenheath.

SPILLAGE: The Purchaser shall be responsible for any spills/leaks resulting from their work while on RAF Lakenheath and agrees to expeditiously cleanup all spills /leaks to the satisfaction of the 48 CES/CEIE Spill Response Manager or designee and in compliance with all applicable federal, state and local laws and regulations. The cleanup shall be at no cost to the government and the Purchaser agrees to hold the government harmless and indemnify the government for any costs incurred as a result of or incidental to, any handling, removal, transportation, storage, treatment or disposal of scrap materials performed by the purchaser/representative. In the case of imminent health and safety dangers, the government reserves the right to take immediate action to contain and minimize a spill. Upon such action by the government, the purchaser/representative shall reimburse the government for costs incurred upon submission of an actual costs bill. In the event of a spill/leakage the Purchaser may request support from the installation on a cost reimbursable basis. All spill/leakage incidents must be reported immediately to 48 CES CEIE/ 01638 52 3990.

RECYCLE PROPERTY: The Purchaser shall arrange with the POC for use of the facility and any government furnished equipment available for services. Purchaser shall not make changes to RAF Lakenheath's Qualified Recycling Program owned facility or equipment. Should the Purchaser desire to
