

DLA Energy Korea

Dialing Instructions:

1. To dial a commercial DSN number within Korea, drop seven (7) in the prefix and use 0503-3 then the 6-digit DSN number. Example: 0503-3xx-xxxx
2. To dial a commercial DSN number outside Korea, use 82, the country code for South Korea, followed by the 503-3 conversion prefix above, dropping the leading zero (0). Example: 82-503-3xx-xxxx
