MEMORANDUM FOR ALL DOD CUSTOMERS

JUL 23 2015

SUBJECT: Standard Prices for Aerospace Energy Category Items

This letter provides the official standard prices for Aerospace Energy products managed under the Defense Working Capital Fund (DWCF) for fiscal year 2016 for forecasted requirements and services. The standard prices published in this letter are intended to remain in effect throughout the fiscal year for requirements and services forecasted last year during our budget review, but may be subject to change.

Thank you in advance for your support to help make our mission successful. Support to our customers with the highest quality, priority service and lowest prices are our top priority and utmost concern.

If you have any questions, please contact Rose Mary Hernandez at (210) 925-0987.
