Why TLSP?

Tailored Logistics Support Program

MRO and SOE TLSP Benefits:

- One-stop shopping
- More access to a wide range of high-quality commercial products
- 24/7 vendor support
- Routine/emergency/surge coverage
- Improves readiness & response times
- Improves product availability and offers greater flexibility
- Electronic ordering
- Lessens your administrative burden
- No min/max dollar limit on orders
- Favorable product pricing through leveraged buying
- Reduce inventory and delivery rates
- Items comply with DOD regulations

MIPRs and MIPR Related Inquiries:

trpspt.ea.mipr@dlamail.mil

To be added to the CLIV distribution list or receive current Stock on Hand (SOH) of the Class IV available at DLA Distribution Europe (DDDE), please email DSCPE.lumber@dlamail.mil.

SOE

Special Operational Equipment

In this program, multiple vendors compete on price and delivery to fulfill each customer order. The program serves worldwide customers utilizing commercial support capabilities and Government transportation.

The SOE TLSP enables you to order a variety of commercial, off-the-shelf items:

- Survival gear
- Tactical equipment
- Personal protection equipment (gloves, spectacles, goggles, etc.)
- Protective eyewear and vision enhancing equipment
- Escalation of force equipment
- Visit board search and seizure
- Scuba gear and misc. diving equipment
- Thermal protection equipment
- Surface supplied diving equipment
- Communication devices (walkie-talkies, two-way radios, etc.)
- Hyperbaric instrumentation & equipment and Saturation equipment
- Compressors and air purification systems
- Lifesaving/search and rescue equipment
- Underwater tools
- Air crew support and Flight deck safety items
- Protective gear, misc. apparel
- Load carrying equipment (vests, backpack systems, trunk lockers, etc.)
- Lethality support items (slings, holsters, straps, fasteners, reflective belts, etc.)
- Mountain climbing equipment

For information on registering for SOE TLSP:

- Program email SOEorders@dlamail.mil
- Local Customer Support: lumber@dlamail.mil
- Visit: www.dla.mil/troopsupport

MRO

Maintenance Repair and Operations

Using integrated suppliers and proven commercial business practices, our customers can obtain specific items, along with requested incidental or related services under the MRO contract. It is a contractually controlled relationship between the customer, TLS vendor, and DLA Troop Support E&A.

Such items include, but are not limited to:

- Appliances
- Blocks
- Bricks
- Chemicals
- Communication devices (walkie-talkies, two-way radios used by maintenance personnel)
- Conduits
- Electrical supplies
- Fixtures
- Hardware
- Heaters
- HVAC
- Lubricating
- Lumber
- Other metals
- Paint
- Paint Supplies
- Plumbing
- Plywood
- Prefabricated structures
- Refrigeration
- Rubber products
- Steel Aluminum
- Utility Vehicles

To get started with MRO, please contact the TVLS for Europe and Africa:
