DLA Annual Ethics Training Dates
Leader Led/Scenario Based

Below is the DLA Headquarters' Leader Led, Scenario Based Annual Ethics training dates for 2021 and the Web RTC access information. All DLA employees are encouraged to attend, but all Confidential Financial Disclosure (OGE Form 450) filers must complete this training before November 30. Anybody attending will receive credit in LMS. While on-line LMS Annual Ethics training remains available, the SECDEF and DLA Director require those filers to participate in the leader led program. The training is interactive and will allow folks to ask questions through the chat mechanism in Web RTC. Remember, when logging into Web RTC, type your full name so that we can identify you and send you a confirmation email.
