Meeting Guide

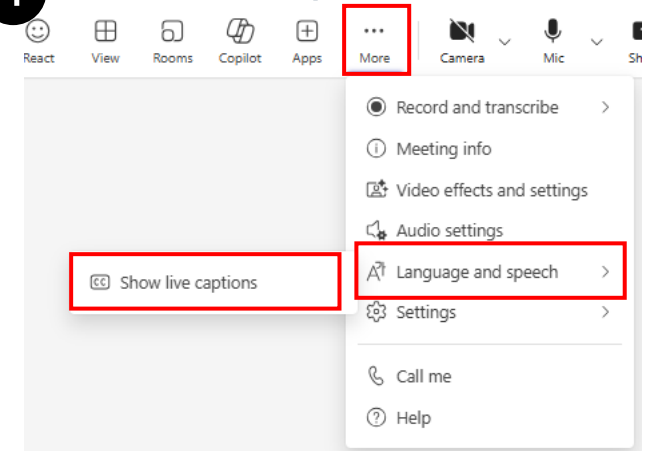

1. This public meeting is being hosted on Microsoft Teams.
2. This meeting is being recorded and transcribed using the Microsoft Teams Copilot.
3. Attendees are unable to mute or to turn on video.
4. You can turn on live captions for improved accessibility.
5. To unmute, participants will need to agree to the use of their audio in the recording, transcription, and Copilot.

Maryland law prohibits the recording of electronic communications unless all parties give consent and compels governmental agencies to ensure appropriate safeguards are in place to protect the confidentiality of stored sensitive information.

3 Click to Open Chat

4 Click for Captions

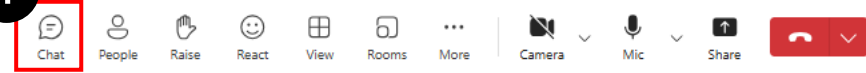

How to Ask A Question

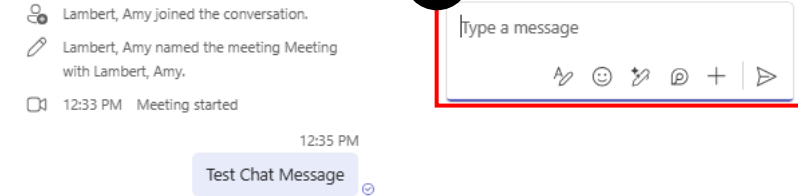

Virtual Attendance

1. Open the meeting chat window by clicking the “Chat” button
2. Enter the question at the bottom of the chat panel on the right. Click the arrow to submit.
3. Feel free to submit questions in chat throughout the presentation. They will be read out during the Q&A session after presentation is concluded.
4. During Q&A please, use the raise hand feature. The moderator will indicate when your microphone has been enabled.
5. To unmute, you will need to agree to the use of your audio in the recording, transcription, and Copilot

1 Click to Open Chat

Meeting chat

4 Click to Raise Hand

5 Agree to Unmute

Do you agree to the use of your audio and video?

By unmuting, turning on your camera, or sharing your screen, you agree to your content being processed for features like recording, transcription and Copilot. [Privacy Policy](#)

A Q&A session will be held at end of the presentation.

How to Ask A Question

Audio Only

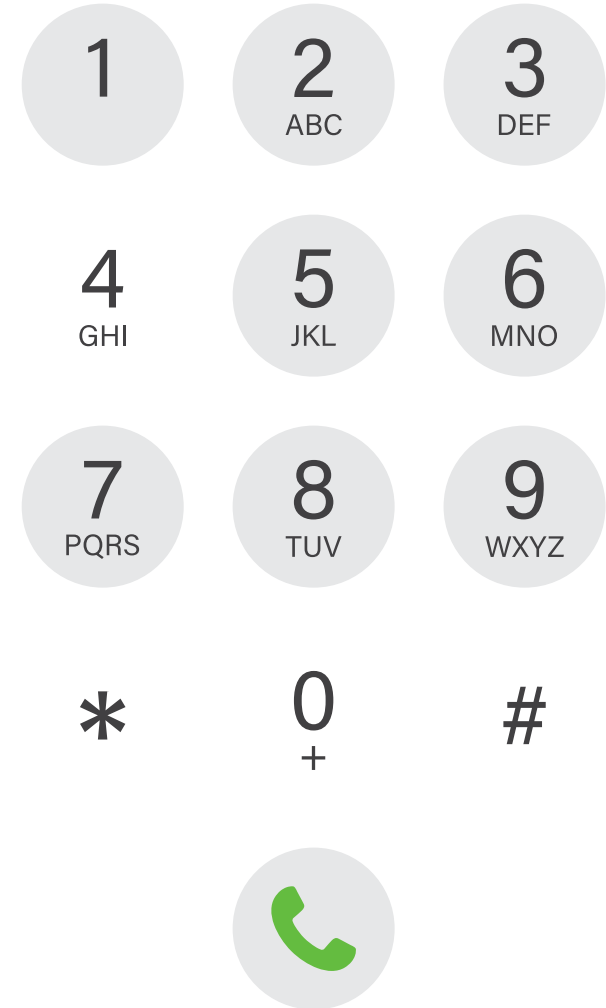

Attendees unable to join using Microsoft teams or provide an email can join for Audio Only:

Phone Number: +1 443-342-4948

Phone conference ID: 700 570 425#

Note: Audio Only will not allow you to see presentation slides.

1. To ask a question, Press *5 on your phone. This will raise your hand. The moderator will indicate when your microphone has been enabled.
2. When your microphone is enabled, to speak your question, Press *6.

A Q&A session will be held at end of the presentation.

Recording

Maryland law prohibits the recording of electronic communications unless all parties give consent and compels governmental units to ensure appropriate safeguards are in place to protect the confidentiality of stored sensitive information.

To unmute, you will need to agree to the use of your audio in the recording, transcription, and Copilot.

Presentation slides will be posted to the DLA Webpage at the following link:

<https://www.dla.mil/Installation-Management/Environmental-documents/>

Do you agree to the use of your audio and video?
