

Supply Reference Chart

DEMIL Codes			Controlled Inventory Item Codes		Requisition Status Codes		Depot Locations																																									
Code	Description	DEMIL or Mutilation Requirement	Code	Explanation	Code	Description	BSM	RIC	DODAAC	Location																																						
A	Items determined by the DOD to present low risk when released out of DOD control. Code includes items that are either not subject to U.S. export controls or are certain low risk items subject to the EAR in Parts 730-774 of Title 15, CFR (includes for example certain CCL or EAR99 items).	No DEMIL or mutilation is required.	A	Confidential - Formerly Restricted Data	BA	Item being processed for release and shipment	DDAA	BA4	SW3120	Defense Distribution Depot, Anniston, AL																																						
			B	Confidential - Restricted Data	BB	Item is on backorder against a due-in to stock	DDAG	MAB	SW3121	Defense Distribution Depot, Albany, GA																																						
			C*	Confidential	BD	Requisition is delayed due to need to verify requirement relative to authorized application, item identification, or technical data	DDBC	SG2	SW3215	Defense Distribution Depot, Barstow, CA																																						
			D	Confidential - Cryptologic			DDCN	PTZ	SW3113	Defense Distribution Depot, Cherry Point, NC																																						
			E	Secret - Cryptologic			DDCO	SC	SW0700	Defense Distribution Depot, Columbus, OH																																						
			F	Top Secret - Cryptologic			DDCT	B52	SW3222	Defense Distribution Depot, Corpus Christi, TX																																						
			B	Obsolete item for new assignment. Military item formerly on the USML. Mutilate (MUT) items to the point of scrap required worldwide.		G	Secret - Formerly Restricted Data	BM	Document has been forwarded to the appropriate processing agency	DDDC	NDZ	SW3218	Defense Distribution Depot, San Diego, CA																																			
						H	Secret - Restricted Data			DDDE	SDQ	SWE300	Defense Distribution Depot, Gernersheim, Germany																																			
K	Top Secret - Formerly Restricted Data	BQ				Cancelled per customer	DDDK	S5J	SW3105	Camp Carrol, Korea																																						
L	Top Secret - Restricted Data	BV				Item procured and on contract for direct shipment (CD/DVD)	DDFG	NBZ	SW3122	Defense Distribution Depot, Jacksonville, FL																																						
C	Item on the USML or CCL which contains key point(s) that requires DEMIL.	DEMIL required. Remove or demilitarize installed key point(s) items as DEMIL code "D" to destroy the key point item to prevent restoration or repair to a usable condition and prevent the release of inherent design information.				O	Item contains unclassified Naval nuclear propulsion information, disposal and access limitations are identified in OPNAVINST N9210.3.	BZ	Requisition is being processed for direct delivery procurement (CD/DVD) upon completion of necessary procurement action, additional status will be provided to indicate action taken	DDGM	NXZ	SW3147	Defense Distribution Depot, Naval Station Santa Rita, Guam																																			
						S	Secret			DDHU	FG	SW3210	Defense Distribution Depot, Hill AFB, UT																																			
						T	Top Secret			DDJC	AQ5/PDW	W62G2T	Defense Distribution Depot, San Joaquin, Stockton, CA																																			
						U	Unclassified			DDKS	S5F	SW3109	Mina Abdullah Distribution Depot, Kuwait Arabian Gulf-SWA																																			
			D	Military item on the USML or CCL	DEMIL required. Destroy item and components to prevent restoration or repair to a usable condition and prevent the release of inherent design information.	W	A component as defined in AFI 91-101, Air Force nuclear weapons security program, and identified in Technical Order 21M-LGM-30F-12-1, Minuteman nuclear security procedures for the WS-133A-M/B Weapon System.	CA	Rejected. Justification will be provide to customer via narrative message	DDNV	NN	SW3117	Defense Distribution Depot, Norfolk, VA																																			
						7*	Items assigned a Demilitarization Code of C, D, E, F, or G and for which another CIIC is inappropriate. (NOTE: The loss, theft, unlawful 011 disposition, and/or recovery of an item with CIIC 7 will be investigated in accordance with DLM 4000.25, Volume 2, Chapter 18 and DOD 7000.14-R, Volume 12, Chapter7).			DDOO	FH	SW3211	Defense Distribution Depot, Tinker AFB, OK																																			
						E	Item on the USML or CCL that requires a specific method or process to accomplish DEMIL or an item designated by the DDPM.	DEMIL required. DEMIL instructions provided to the DDPM or by the DDPM.	NOTE: Additional information can be found on page 83 of the DLA Customer Assistance Handbook	9	This code identifies an item as a Controlled Cryptographic Item (CCI). CCI is described as secure telecommunications or information handling equipment, associated cryptographic component, or other hardware item which performs a critical COMSEC function. Items so designated are unclassified but controlled, and will bear the designation "Controlled Cryptographic Item or CCI."	CJ	Rejected. Item coded as obsolete or inactivated	DDPH	NPZ	SW3144	Defense Distribution Depot, Pearl Harbor, HI																															
														F	Military item on the USML or CCL with DEMIL instructions specified by item managers, equipment specialists, or product specialists	DEMIL required. DEMIL using special instructions	NOTE	PHRASE AND SHELF LIFE CODE NOTES	NSN PHRASE CODES: Codes assigned to a series of phrases used in the NSN Management Data Segment and Standardization: Non-definitive Unit of Issue, Unit of Measure and / or relationships between NSNs - I&S; NSN Changes, Replacements, and Disposal.	NSN SHELF-LIFE CODES: A one-position code assigned to an NSN of a shelf-life item to identify the number of months of original shelf-life and whether the original shelf-life is Type I or Type II:	DDPW	NUZ	SW3216	Defense Distribution Depot, Puget Sound, Bremerton, WA																								
G	Military item on the USML or the CCL. Includes ammunition and explosives (AE) designated with a security classification level of unclassified and classified.	DEMIL required.																			Type I shelf-life item - An individual item of supply with a definite non-extendible period of shelf-life.	Type II shelf-life item - An individual item of supply having an assigned shelf-life period that may be extended after completion of visual inspection, certified laboratory test, restorative action, or combination of these measures.	Service-Life: Shelf-Life management stops (Type I and II) and Service-Life begins when a shelf-life item is: removed from its original method of preservation protective packaging, introduced to mission requirements, installed into intended application, or left in an improper storage. These service-life items are not eligible for Shelf-Life Extension Testing and will be managed IAW applicable Technical Manuals (TMs) or IAW guidance provided by the materiel owner (Services').	DDRT	BR4	SW3227	Defense Distribution Depot, Red River, Texarkana, TX																					
																								P	Item designated with security classification level on the USML.	DEMIL required to complete declassification.	Type I shelf-life item - An individual item of supply with a definite non-extendible period of shelf-life.	Type II shelf-life item - An individual item of supply having an assigned shelf-life period that may be extended after completion of visual inspection, certified laboratory test, restorative action, or combination of these measures.	Service-Life: Shelf-Life management stops (Type I and II) and Service-Life begins when a shelf-life item is: removed from its original method of preservation protective packaging, introduced to mission requirements, installed into intended application, or left in an improper storage. These service-life items are not eligible for Shelf-Life Extension Testing and will be managed IAW applicable Technical Manuals (TMs) or IAW guidance provided by the materiel owner (Services'). 444	Handling for customers collocated with depot

Manual Order Entry System (MOES) FEDMALL®
[FEDMALL Access](#)

- Ability to enter a manual sales order
- All required MILSTRIP validations are incorporated
- Once entered into MOES, order is transmitted to DLA Transaction Services for processing
- Sales order is created and can be viewed in DLA orders (within FEDMALL®) for status updates
- Exception data is limited to twenty lines with a maximum of 80 characters each

Log on to FEDMALL®
 ~ From Welcome screen toolbar, select
 ~ Tools
 ~ Create MILSTRIP
 Select the appropriate document type from the menu

Web Visual Logistics Information Processing System
WebVLIPS
<https://home.daas.dla.mil/sar/testgcapcha.as>

- Query document numbers from DLA Trans Services
- Document tabs provide a variety of background
- Hist/Excp Tab; transaction history of your document
- STA tab; provides current status of your document
- Pipeline Tab; provides information from creation of sales order through receipt of material by customer
- Perform a NSN or TCS Query

DoDAAD - DOD Activity Address Directory

There may be up to three distinct addresses contained DoDAAD for each DoDAAC, as follows

TAC 1: Owner - Identifies the mailing address for the activity
 TAC 2: Ship-To - Identifies the 'ship to' (freight) address for the activity, TAC 1
 TAC 3: Billing - Identifies the billing entity & address, TAC 1

Mandatory Fields: DIC, NIIN, QTY, DOC NUMBER, SIGNAL CODE, FUND CODE (leave blank unless signal code is C or L and it identifies a valid b DLM 4000.25, Volume 2)

Acquisition Advice Codes	
Code	Description
A	Service/Agency
B	Inventory Point
C	Service/Agency - Managed
D	DOD Integrated Material
E	Other Service-Managed, Stocked and Issued
F	Fabricate or Assemble (Non-Stocked Items)
G	GSA/Civil Agency Managed, Stocked and Issued
H	Direct Delivery Under Central Contract (Vendor Stocked)
I	Direct Ordering Central CONT/SCHD (Non-Stock)
J	Not Stocked, Centrally Procured (Non-Stocked)
K	Centrally Stocked for Overseas Only
L	Local Purchase (Non-Stocked Items)
M	Restricted Requisitions-Major Overhaul (Service/Agency Only)
N	Restricted Requisitioning-Disposal (service/Agency Only)
O	Packaged Fuels (Non-Stocked Items)
P	Restricted REQ-Security Assistance Program (SAP)
Q	Bulk Petroleum Products DLA
R	Restricted Requisition (GFM)
S	Restricted REQ-Other Service Funded (Service Use Only)
T	Condemned (Non-Stocked Item)
U	Lead Service-Managed
V	Terminal Item (Stock On-Hand)
W	Restricted Requisitioning (Non-Stocked Items)
Y	Terminal Item (Non-Stocked Items)
Z	Insurance/Numeric Stockage Objective Item

Hazardous Materials Indicator Code (HMIC)	
Code	Description
D	There is no information in the HMIRS; however, the NSN is in an FSC in Table I of Federal Standard 313 and an SDS should be available to the user.
N	There is no data in the HMIRS and the NSN is in an FSC not generally suspected of containing hazardous
P	There is no information in the HMIRS; however, the NSN is in an FSC in Table II of Federal Standard 313 https://www.gsa.gov/cdnstatic/FED-STD-313F%20final%20(1). and an SDS may be required by the user. The requirement for an SDS is dependent on a hazard determination of the supplier or the intended end
Y	Information is in the Hazardous Materials Information Resource System (HMIRS).

Additional Information

Additional information on MILSTRIP Supply codes can be located on Part II of the DLA Customer Assistance Handbook

Additional information on Federal Supply Class Assignments can be located on Part IV of the DLA Customer Assistance Handbook and at <https://www.dla.mil/Working-With-DLA/Federal-and-International-Cataloging/H6/>

Condition Codes	
Code	Description
A	Serviceable
B	Serviceable (Issuable with qualification)
C	Serviceable (Priority Issue)
D	Serviceable (Test/Modification)
E	Unserviceable (Limited Restoration)
F	Unserviceable (Reparable)
G	Unserviceable (Incomplete)
H	Unserviceable (Condemned)
J	Suspended (In Stock)
K	Suspended (Returns)
L	Suspended (Litigation)
M	Suspended (In Work)
N	Suspended (Ammunition Suitable for Emergency Combat Only)
P	Unserviceable (Reclamation)
Q	Suspended (Quality Deficient Exhibits)
R	Suspended (Reclaimed Items Awaiting Condition)
S	Unserviceable (Scrap)
