1. PURPOSE: Establish policy for the Defense Supply Center Columbus (DSCC) Integrated Solid Waste (ISW) program which supports DSCC's commitment to recycling and reduction of non-hazardous solid waste.

2. APPLICABILITY: This Policy applies to all personnel and activities at DSCC to include the supply chains that accept and act upon proper disposal parameters in accordance with (IAW) DoDI 4715.23, Table 1.

3. SCOPE:

- a. This Policy establishes processes to reduce the waste stream, prevent pollution and conserve natural resources. IAW Executive Order 14057 and corresponding DOD and DLA regulations, participation in the ISW Program is mandatory. All DSCC personnel will actively participate in the ISW Program.
- b. The following materials must be recycled: cardboard, metal, plastic, wood pallets, paper and yard waste.
- c. DSCC is required to annually divert 50% of non-hazardous solid waste, including food and compostable material, and construction and demolition waste and debris by fiscal year 2025; and 75 percent by fiscal year 2030. All construction, renovations, repair, maintenance, and demolition contracts and internal operations shall divert non-hazardous solid waste and construction and demolition debris from landfill disposal whenever practicable to assist in meeting this goal. All entities shall report diversion data for both contracts and internal

operations to DLA Installation Management Columbus (DM-FC) Environmental Division at *DSCC.Environmental@dla.mil* to ensure accurate diversion rate tracking.

d. The DSCC ISW and document destruction contracts operate in accordance with this Policy. There is capacity on both contracts for tenants to participate.

4. RESPONSIBILITY: DM-FC manages the ISW Program. All DSCC activities, tenants and contractors will appoint an ISW Monitor in writing, email *DSCC.Environmental@dla.mil*, to serve as the primary point of contact for the ISW Program. The ISW Monitor will represent their organization and attend all Environmental Coordination Committee meetings.

5. PRIMARY POINT OF CONTACT: DM-FC, Environmental Division, at 614-692-6630/8382 *DSCC.Environmental@dla.mil*.
