

Sexual Assault Awareness and Prevention Month

April 2021

“National Denim Day”

April 28, 2021

In observance of National Denim Day, please wear denim on April 28 to show your support, help bring awareness to victim blaming, and assert there is never an excuse for rape. Send photos wearing denim to your respective MSC or HQs SARC.

DLA has a team of DoD credentialed SARCs available to support victims and survivors of sexual violence. Contact your local SARC or reach out to the DLA SAPR hotline at **1-800-841-0937** for resources or to make a report.

DLA uniformed personnel shall obtain approval through respective leadership channels to participate in this event.

Protecting Our People Protects Our Mission
