

April is Sexual Assault Awareness & Prevention Month

“DLA 3rd Annual Teal Ribbon Relay” 1-30 April 2025

Join the DLA SAPR Team in taking part in the virtual Teal Ribbon Relay. Everyone is encouraged to walk, run, bike, etc., and track miles in April to show support for victims of sexual violence. Roughly 1,026 miles connects DLA MSCs, so let's get out and raise enterprise-wide awareness and support for survivors!

Reach out to your MSC or HQs J/D Code SARC for more details and/or to submit your miles weekly.

DLA has a team of DoD credentialed SARCs available to support victims and survivors of sexual violence. Contact your local SARC or reach out to the

DLA SAPR hotline at **571-767-1133** or **DSN: 392-767-1133**
for resources or to make a report.

Note: DLA civilian employees and military personnel must receive clearance from respective supervisors to participate in this event during duty hours that are not a part of approved fitness time.

Participation **during personal time or non-duty hours** is acceptable.

“STEP FORWARD. Prevent. Report. Advocate.”
