This solicitation may result in an Indefinite Delivery Contract (IDC) below the Simplified Acquisition Threshold for a one year period.		
NSN: 5331010131090		
FOR INFORMATION PURPOSES ONLY:		
Note to offeror: Because this is a UNILATERAL IDC (Indefinite Delivery Contract), it is not binding on either party until a delivery order has been placed and the contractor acceptably performs. As a result, contract terms, including Contract Limitations and the Guaranteed Minimum, do not apply until the IDC becomes binding (after a delivery order is placed and the contractor acceptably performs). Reference Proc Note H06.		
Guaranteed Contract Minimum Quantity: 50 EA is applicable. There is no guarantee that the Government will place any orders beyond the guaranteed minimum or after the effective period of the contract/order.		
Contract Maximum Value: \$250000.00		
****NOT A FIRM QUANTITY****		
Estimated Annual Quantity: 337.000 EA This is an estimate only and may not be purchased by the IDC.

acquire the supplies or services from another source.		
52.216-22 INDEFINITE QUANTITY (OCT 1995)		
(a) This is an indefinite-quantity contract for the supplies or services specified, and effective for the period stated, in the Schedule. The quantities of supplies and services specified in the Schedule are estimates only and are not purchased by this contract.		
(b) Delivery or performance shall be made only as authorized by orders issued in accordance with the Ordering clause. The Contractor shall furnish to the Government, when and if ordered, the supplies or services specified in the Schedule up to and including the quantity designated in the Schedule as the "maximum". The Government shall order at least the quantity of supplies or services designated in the Schedule as the "minimum".		
(c) Except for any limitations on quantities in the Order Limitations clause or in the Schedule, there is no limit on the number of orders that may be issued. The Government may issue orders requiring delivery to multiple destinations or performance at multiple locations.		
(d) Any order issued during the effective period of this contract and not completed within that period shall be completed by the Contractor within the time specified in the order. The contract shall govern the Contractor's and Government's rights and obligations with respect to that order to the same extent as if the order were completed during the contract's effective period; provided, that the Contractor shall not be required to make any deliveries under this contract after final scheduled delivery date.

****NOT A FIRM QUANTITY****

Estimated Annual Quantity: 337.000 EA This is an estimate only and may not be purchased by the IDC.

****NOT A FIRM QUANTITY****

Estimated Number of orders: 8 This is an estimate only. The actual number of orders may vary depending on the Government need.

Minimum Delivery Order Quantity: 21 EA

"Ship to" addresses will be identified on each individual delivery order. All deliveries will be within the continental United States.

By furnishing the supplies in the first delivery order, the contractor accepts the Government's offer and an IDC is formed. The contractor agrees to honor additional orders at the price quoted. Failure to make timely delivery on a follow-on order may therefore result in contractor liability to the Government under the terms of the Default Clause at FAR 52.249-8.

The following are considered exceptions to the solicitation requirements in addition to those listed in PART I of the Defense Logistics Agency (DLA) Master Solicitation for Automated Simplified Acquisitions and will make a quotation ineligible for an automated award: (a) Quoting a used, reconditioned, remanufactured item, or unused former Government surplus property. (b) Quoting less than the minimum of 90 days validity period.
