- c. For questions regarding online sales accounts, log in problems, or password resets, Quoters are advised to forward a request to the email address in paragraph b., above. Log in to the website requires registration for an online sales account (see **SECTION B – REGISTRATION TO PARTICIPATE IN THE SALES PROGRAM (JUN 17)**, Paragraph 2) with a 15-character strong password.

Note: Password resets are computer system generated and may take up to four hours or more to complete. As a result, the Government will not be responsible if a password cannot be reset prior to the time Quotes are due if a Quoter requests a reset within a period of time shorter than the time the computer system requires to process the reset. Quoters are therefore encouraged to view the Requests for Quotes as soon as possible after posting and to begin the process of Quote submission in sufficient time to complete the submission prior to the time Quotes are due. Posting of a Request for Quotes will be in accordance with Sections A.3. and C.1., above, or Section C.2.d., below.

- d. Any type of technical issue (e.g., an outage) with the online sales site, which is within the four hours immediately prior to the time set for receipt of Quotes, may result in an extension of the time set for receipt of Quotes in accordance with Section C.7.e. of the BOA Solicitation. DLA Strategic Materials will make a decision regarding the extension based on the prevailing circumstances.
- e. The inability of an individual user to access the online sales site and submit a Quote caused by failure of the user's hardware, software, Internet Service Provider, or the World Wide Web itself, is not cause for extending an offering or canceling a Request for Quotes.
- f. Widespread access difficulties or other compromises of the Quote process may warrant canceling a Request for Quotes at the discretion of DLA Strategic Materials.

C.3. Online Quote Submissions (JUN 17)

- a. All Quotes submitted under this BOA Solicitation shall be submitted online. In order to submit Quotes online, Quoters must register for an online sales account (**SECTION B – REGISTRATION TO PARTICIPATE IN THE SALES PROGRAM (JUN 17)**, Paragraph 2); establish a contact profile; company profile (or individual profile); complete the single-point registration; register for the BOA solicitation type by designating authorized persons and completing Section I.5.; and accept the amendments for one or more specific materials. All actions must be completed online.

- b. Quotes submitted through the DLA Strategic Materials online sales site constitute an electronic signature certifying that the official submitting the Quote has the authority to bind the company. Company officials are cautioned that individuals given the role of “Quoter” for the company will be able to submit a Quote for any material under this BOA Solicitation once the registration process is completed and the amendment(s) for that material are accepted. The Government will not bear any responsibility if unauthorized company personnel are provided the role of “Quoter” by the company.
- c. Submission of an online Quote will result in the generation of a Section **I.1. Quote/Award Form.**

C.4. Offer Price (JUN 17)

Quotes shall be expressed as a fixed U.S. dollar and cent value per commodity unit of measure. The unit of measure and the maximum number of decimal places to which Quotes shall be expressed will be specified in future Amendments.

C.7. Late Submissions, Modifications, and Withdrawals of Quotes (OCT 13)

- a. Any Quote received at the office designated in the BOA Solicitation after the exact time specified for receipt of Quotes will not be considered unless it is received before award is made and –
 - (1) There is acceptable evidence to establish that it was received at the activity designated for receipt of Quotes and was under the Government’s control prior to the time set for receipt of Quotes, and the Contracting Officer determines that accepting the late Quote would not unduly delay the sale; or
 - (2) It is the only Quote received.
- b. Any modification to a Quote, including a modification resulting from the Contracting Officer’s request for confirmation, is subject to the same conditions stated in paragraph **C.7.a.** of this provision.

- c. The only acceptable evidence to establish the time of receipt at the Government installation is the time/date stamp on the online submission.
- d. Notwithstanding paragraph **C.7.a.**, a late modification of an otherwise successful Quote that includes terms more favorable to the Government will be considered if it is received at any time prior to award and may be accepted.
- e. If an emergency or unanticipated event interrupts normal Government processes so that Quotes cannot be received at the office designated for receipt of Quotes by the exact time specified in the offering and the Government is unable to provide timely notice of an extension of the time set for receipt of Quotes, the time set for receipt of Quotes for that day will be deemed to be extended to the same time on the next DLA Strategic Materials business day.
- f. Quotes may be submitted, modified and withdrawn only online.

C.8. Consideration of Quotes (OCT 13)

- a. The Government reserves the right to –
 - (1) Reject any or all Quotes;

The minimum quantity specified cannot be less than the minimum quantity set forth in Section **C.6.** and on the online sales site.

C.9. Responsiveness of Quotes (JUN 17)

- a. To be considered for award, Quotes must be responsive. A responsive Quote is one that **fully complies** with the terms of the BOA Solicitation, as revised by any amendments thereto or the Acceptance Letter and in which the intent of the Quoter is clear on its face.
- b. A Quote must clearly state the unit price (fixed price only) for each line item.
- c. Any Quote that requires the Government to exercise judgment with respect to quantity or price will render the Quote nonresponsive and ineligible for award.

- d. The online submission process will not permit a Quoter to submit a quote for less than the minimum quantity set forth in Section C.6. and on the online sales site.
- e. The online Quote submission process will result in creation of the Section I.1. **Quote/Award Form**. By submitting a Quote through the DLA Strategic Materials online sales site:
 - (1) The Quoter accepts all terms and conditions of the BOA Solicitation, as revised by any amendments thereto or the Acceptance Letter; and
 - (2) Award on the Quote results in a binding contract with terms and conditions that do not vary from the terms and conditions of the BOA Solicitation, as revised by any amendments thereto or the Acceptance Letter.
- f. Quotes submitted through the online sales site cannot reject, modify, or alter terms, conditions, or provisions of the BOA Solicitation, as revised by any amendments thereto or the Acceptance Letter. C.13. Unsuccessful Quoters (OCT 13)

The DLA Strategic Materials Directorate of Contracting will notify unsuccessful Quoters telephonically or by email at the earliest practicable time.

(See especially 49 CFR 173.7(a) (1).)
- (2) The Government reserves the right to conduct reasonable inspection of the Contractor's or its agent's transportation conveyances or other equipment utilized to effect removal of the material purchased under this BOA Solicitation and Amendments thereto. Inspection may occur prior to, during, or subsequent to removal of the material from Government storage locations. The Contractor or its agent shall provide Government representatives with access and any reasonable assistance required to conduct this inspection.

b. Safety Data Sheets

SECTION G – CONTRACT ADMINISTRATION DATA

G.1. Amendments and Modifications (MAR 11)

- a. Changes in terms and conditions of this BOA Solicitation shall be accomplished by written amendment only.
- b. Changes in terms and conditions of any resulting contract shall be accomplished only by written modification signed by the Contracting Officer.

G.2. Title (JAN 15)

Title to the material shall pass to the Contractor when the material is shipped. Nothing in this contract shall constitute a bailment under law for materials that have been paid for but not shipped from or removed from Government installations or facilities.

G.3. Risk of Loss (JAN 15)

- a. After the award of the contract and prior to shipment of material, risk of loss for materials that have been paid for but not shipped to the Contractor will be the responsibility of the Government. The Contractor hereby acknowledges and agrees that its only recourse for loss of materials is re-payment of monies paid to the Government in the transaction. The Contractor hereby waives any and all potential or actual claims against the Government that are associated with this transaction, arising from loss of property after payment and before shipment of the property to the Contractor.
- b. After material has been shipped, all risk of loss shall shift from the Government to the Contractor.

G.4. Limitation on Government's Liability (JAN 14)

- a. In any case where liability of the Government to the contractor has been established, the measure of the Government's liability shall not exceed refund of whatever portion of the purchase price the Contractor has paid, except as provided in Section **G.4.b**.

Unless otherwise specified, protests will be presumed to be protests to the Contracting Officer.

- b. Pre-Award Protests.** A protest by a company concerning the terms of this BOA Solicitation and Amendments thereto shall be filed before the company submits a completed registration and accepts one or more Amendments under the Solicitation as specified in Section B. Protests concerning the terms of any Request for Quotes hereunder shall be filed prior to the time set for receipt of Quotes.
- c. Post-Award Protests.** Protests after award shall be filed not later than 10 calendar days after the basis of the protest is known or should have been known, whichever is earlier, except for protests challenging a negotiated sale under which a debriefing is requested and provided. In that situation, and where the basis was not known prior to the debriefing, the initial protest shall be filed not later than 10 calendar days after the date of the debriefing.
- d. Service of Protest.**
 - (1) Protests seeking a decision by the Contracting Officer shall be served in writing at the following address and may be filed by mail, hand delivery, commercial delivery service, or facsimile:

Fort Belvoir, VA 22060-6223
Facsimile No.: (703) 767-5484 or (703) 767-4074

- (2) As an alternative to filing a protest with the Contracting Officer, Quoters may seek an independent review by filing an agency-level protest with the DLA Strategic Materials Director, Directorate of Contracting. This process allows for a higher level decision on the initial protest. It is not a review of a Contracting Officer's decision on a protest filed with the Contracting Officer. A protest seeking an agency-level decision should clearly state that it is an "Agency Level Protest Under Executive Order 12979." The protest shall be served in writing at the following address and may be filed by mail, hand delivery, commercial delivery service, or facsimile:

- b.** Except as provided in the Act, all disputes arising under or relating to a contract entered into pursuant to this BOA shall be resolved under this clause.
- c.** "Claim," as used in this clause, means a written demand or written assertion by one of the contracting parties seeking, as a matter of right, the payment of money in a sum certain, the adjustment or interpretation of contract terms, or other relief arising under or relating to this contract. However, a written demand or written assertion by the Contractor seeking the payment of money exceeding \$100,000 is not a claim under the Act until certified. A voucher, invoice, or other routine request for payment that is not in dispute when submitted is not a claim under the Act. The submission may be converted to a claim under the Act, by complying with the submission and certification requirements of this clause, if it is disputed either as to liability or amount or is not acted upon in a reasonable time.
- d.** (1) A claim by the Contractor shall be made in writing and, unless otherwise stated in this contract, submitted within 6 years after accrual of the claim to the Contracting Officer for a written decision. A claim by the Government against the Contractor shall be subject to a written decision by the Contracting Officer.

(2) (i) The Contractor shall provide the certification specified in paragraph (d)(2)(iii) of this clause when submitting any claim exceeding \$100,000.

(ii) The certification requirement does not apply to issues in controversy that have not been submitted as all or part of a claim.

(iii) The certification shall state as follows: "I certify that the claim is made in good faith; that the supporting data are accurate and complete to the best of my knowledge and belief; that the amount requested accurately reflects the contract adjustment for which the Contractor believes the Government is liable; and that I am duly authorized to certify the claim on behalf of the Contractor."

(3) The certification may be executed by any person duly authorized to bind the Contractor with respect to the claim.
- e.** For Contractor claims of \$100,000 or less, the Contracting Officer must, if requested in writing by the Contractor, render a decision within 60 days of the request. For Contractor-certified claims over \$100,000, the Contracting Officer must, within 60 days, decide the claim or notify the Contractor of the date by which the decision will be made.

- f.** The Contracting Officer's decision shall be final unless the Contractor appeals or files a suit as provided in the Act.
- g.** If the claim by the Contractor is submitted to the Contracting Officer or a claim by the Government is presented to the Contractor, the parties, by mutual consent, may agree to use alternative dispute resolution (ADR). If the Contractor refuses an offer for ADR, the Contractor shall inform the Contracting Officer, in writing, of the Contractor's specific reasons for rejecting the offer
- h.** The Government shall pay interest on the amount found due and unpaid from (1) the date the Contracting Officer receives the claim (certified, if required); or (2) the date payment otherwise would be due, if that date is later, until the date of payment. Simple interest on claims shall be paid at the rate, fixed by the Secretary of the Treasury as provided in the Act, which is applicable to the period during which the Contracting Officer receives the claim and then at the rate applicable for each 6-month period as fixed by the Treasury Secretary during the pendency of the claim.
- i.** The Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the Contracting Officer.

G.7. Default (JAN 14)

- a.** (1) The Government may, by written notice of default to the Contractor, terminate this contract in whole or in part if the Contractor fails to –
 - (i) Make payment and remove the material within the time specified in this contract or any extension;
 - (ii) Remove the material within the time specified in this contract whether or not payment has been made;
 - (iii) Make progress, so as to endanger performance of this contract; or
 - (iv) Perform any of the other provisions of this contract.
- (2) The Government's right to terminate this contract under Section **G.7.a.(1)(iii)** and Section **G.7.a.(1)(iv)** above, may be exercised if the Contractor does not cure such failure within 10 days (or more if authorized in writing by the Contracting Officer) after receipt of the notice from the Contracting Officer specifying the failure. Upon the Contractor's failure to cure such default within that period (or such further period as the Contracting Officer may allow), the Contractor shall lose all right, title and interest which it might otherwise have acquired in and to the material as to which a default has occurred.
- (3) If at any time prior to the expiration of this contract, the Contractor makes it clear either by words, actions, or circumstances, that the Contractor is unwilling or

unable to perform under this contract, the Government shall not be required to furnish the Contractor notice specifying the failure under this contract prior to exercising its right to terminate this contract for default and seek damages.

- b.** If the contract is terminated, the Contractor could be held liable for damages resulting from the resale of the material, as described below. The Contractor may also be liable for additional charges including, not limited to: interest, storage charges, penalty charges, consideration fees, and administrative charges relating to the termination.
- c.** If the Government terminates the contract for default, it may subsequently resell the material for the Contractor's account, under the terms and in the manner the Contracting Officer considers appropriate, and assess the Contractor the difference between the contract price and the price obtained on resale. In no event will the Contractor be refunded any money if the Government obtains a greater price on resale, nor will an accounting of money be made until resale is complete. In the event that the Government does not resell the material within 12 months, the Contractor may be held liable for the full contract price for the quantity of material on which the default has occurred. In order to calculate the Government's damages on contracts where the contract price is determined on a formula-price basis, the Government will establish the contract price for the quantity of material on which the default has occurred as follows: Using the pricing mechanism set forth in the contract, the Government will set the price as though the material had been priced on the last day of the contract period or the date of the termination notice, whichever is earlier.
- d.** If, after termination, it is determined that the Contractor was not in default, or that the default was excusable, the rights and obligations of the parties shall be the same as if the termination had been issued for the convenience of the Government.
- e.** The rights and remedies of the Government in this clause are in addition to any other rights and remedies provided by law or under this contract.

G.8. Applicable Law for Breach of Contract Claim (JUL 06)

United States law will apply to resolve any claim of breach of this contract.

G.9. Bankruptcy (JAN 07)

In the event the contractor enters into proceedings relating to bankruptcy, whether voluntary or involuntary, the contractor agrees to furnish, by certified mail or electronic commerce method authorized by the contract, written notification of the bankruptcy to the contracting officer responsible for administering the contract. This notification shall be furnished within five days of the initiation of the proceedings relating to bankruptcy filing. This notification shall include the date on which the bankruptcy petition was filed and the identity of the court in which the bankruptcy petition was filed.

G.10. Termination for Convenience of the Government (DEC 97)

- a.** The Contracting Officer, by written notice, may terminate this contract, in whole or in part, when it is in the Government's interest. If this contract is terminated, the Government shall only be liable for actual costs incurred by the Contractor before the effective date of termination.
- b.** If a bona fide requirement for the material develops or exists prior to removal of the material from Government control, the Government may withdraw that material from the sale. In the event of a withdrawal under this condition, the Government shall be liable only for the refund of the contract price of the withdrawn material or such portion of the contract price as it may have received plus simple interest at the rate established by the Secretary of the Treasury.

G.11. Excusable Delays (DEC 07)

- a.** In the event either party should be prevented from performing under this contract by reason of any unforeseeable cause beyond its control and without its fault or negligence, including, but not restricted to, acts of God or of the public enemy, sovereign acts of the United States, acts of a foreign Government, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes and unusually severe weather, performance under the contract shall be suspended in whole or in part until the cause ceases to exist and thereafter the time for fulfillment of the contract shall be extended by the length of time during which the cause prevented performance under the contract.
- b.** The Contracting Officer shall make a written determination that an excusable delay condition exists.
- c.** This section shall also apply to an excusable delay condition that prevents delivery at a consignee's plant if –
 - (1) the delay meets the criteria in paragraph **a.** above; and
 - (2) the identity of the consignee is known to the Government prior to commencement of the excusable delay condition.
- d.** The Contractor shall notify the Contracting Officer, in writing, of the nature and extent of the excusable delay condition promptly after the commencement thereof, but in any event prior to outloading of the material from the storage location from which it is to be shipped. The Contractor shall notify the Contracting Officer, in writing, within ten (10) calendar days when the excusable delay condition ceases to exist.

G.12. Setoff of Funds (MAY 04)

The Contractor agrees that the Government may use all or a portion of any monies received by Government to satisfy, in whole or in part, any debt (e.g. delinquent payments, interest, penalty charges, administrative charges, or storage charges), arising out of this or any other transaction.

G.13. Indemnification Agreement (JAN 02)

The Contractor shall save and hold harmless and indemnify the Government against any and all liabilities, claims, and costs of any kind and nature for injury to or death of any person or persons and for loss or damage to any property (Government or otherwise) occurring in conjunction with or in any way incident to or arising out of the occupancy, use, service, operations, or performance of work resulting from the acts or omissions of the Contractor, Contractor's employees, or any person subject to the Contractor's control in connection with the contract. Whether due to negligence or not of the Contractor, the Contractor agrees to reimburse the United States for any legal expenses (including salaries of attorneys) incurred by the United States in defending any and all claims or suits against the United States, whether well-founded or not, in any way whatsoever alleged to have arisen from the acts or omissions of the Contractor, Contractor's employees, or any person subject to the Contractor's control.

G.14. Covenant Against Contingent Fees (JAN 95)

- a.** The Contractor warrants that no person or agency has been employed or retained to solicit or obtain this contract upon an agreement or understanding for a contingent fee, except a bona fide employee or agency. For breach or violation of this warranty, the Government shall have the right to annul this contract without liability or, in its discretion, to add to the contract price or consideration, or otherwise recover, the full amount of the contingent fee.
- b.** "Bona fide agency," as used in this paragraph, means an established commercial or selling agency, maintained by a Contractor for the purpose of securing business, that neither exerts nor proposes to exert improper influence to solicit or obtain Government contracts nor holds itself out as being able to obtain any Government contract or contracts through improper influence.
- c.** "Bona fide employee," as used in the paragraph, means a person, employed by a Contractor and subject to the Contractor's supervision and control as to time, place, and manner of performance, who neither exerts nor proposes to exert improper influence to solicit or obtain Government contracts nor holds out as being able to obtain any Government contract or contracts through improper influence.
- d.** "Contingent fee," as used in this paragraph, means any commission, percentage, brokerage, or other fee that is contingent upon the success that a person or concern has in securing a Government contract.

- e. “Improper influence,” as used in this paragraph, means any influence that induces or tends to induce a Government employee or office to give consideration or to act regarding a Government contract on any basis other than the merits of the matter.

I.4. Certification Regarding Responsibility Matters (OCT 15) [SAMPLE ONLY]

a.1	The Offeror certifies, to the best of its knowledge and belief, that—
a.1.i	The Offeror and/or any of its Principals—
a.1.i.A	Are (<input type="checkbox"/>) are not (<input type="checkbox"/>) presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;
a.1.i.B	Have (<input type="checkbox"/>) have not (<input type="checkbox"/>), within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) contract or subcontract; violation of Federal or State antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;
a.1.i.C	Are (<input type="checkbox"/>) are not (<input type="checkbox"/>) presently indicted for, or otherwise criminally or civilly charged by a governmental entity with, commission of any of the offenses enumerated in paragraph (a)(1)(i)(B) of this provision;
a.1.i.D	Have (<input type="checkbox"/>), have not (<input type="checkbox"/>), within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,500 for which the liability remains unsatisfied.
a.1.i.D.1	Federal taxes are considered delinquent if both of the following criteria apply:
a.1.i.D.1.i	The tax liability is finally determined. The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.
a.1.i.D.1.ii	The taxpayer is delinquent in making payment. A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.
a.1.i.D.2	Examples.
a.1.i.D.2.i	The taxpayer has received a statutory notice of deficiency, under I.R.C. § 6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

a.1.i.D.2.ii	The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. § 6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.
a.1.i.D.2.iii	The taxpayer has entered into an installment agreement pursuant to I.R.C. § 6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.
a.1.i.D.2.iv	The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).
a.1.ii	The Offeror has (<input type="checkbox"/>) has not (<input type="checkbox"/>), within a three-year period preceding this offer, had one or more contracts terminated for default by any Federal agency.
a.2	“Principal,” for the purposes of this certification, means an officer, director, owner, partner, or a person having primary management or supervisory responsibilities within a business entity (e.g., general manager; plant manager; head of a division or business segment; and similar positions).
	This Certification Concerns a Matter Within the Jurisdiction of an Agency of the United States and the Making of a False, Fictitious, or Fraudulent Certification May Render the Maker Subject to Prosecution Under Section 1001, Title 18, United States Code.
b	The Offeror shall provide immediate written notice to the Contracting Officer if, at any time prior to contract award, the Offeror learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
c	A certification that any of the items in paragraph (a) of this provision exists will not necessarily result in withholding of an award under this solicitation. However, the certification will be considered in connection with a determination of the Offeror’s responsibility. Failure of the Offeror to furnish a certification or provide such additional information as requested by the Contracting Officer may render the Offeror nonresponsible.

d	Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by paragraph (a) of this provision. The knowledge and information of an Offeror is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
e	The certification in paragraph (a) of this provision is a material representation of fact upon which reliance was placed when making award. If it is later determined that the Offeror knowingly rendered an erroneous certification, in addition to other remedies available to the Government, the Contracting Officer may terminate the contract resulting from this solicitation for default.
