- Cape, Aircrewman's – Mar 2019
- Inserts, Cotton, Glove – Mar 2019

Program POCs

- Joint Program Executive Office for Chemical and Biological Defense (JPEO-CBD) – responsible for research, development, acquisition, fielding, and life-cycle support of chemical and biological equipment and medical countermeasures. It focuses on the protection of Soldiers, Sailors, Airmen, and Marines from chemical and biological weapons on the battlefield.
- Joint Project Manager for Protection (JPM P) – one of eight JPMs under JPEO-CBD, provides DoD and other federal customers, with the protection requires to effectively conduct active combat, consequence management, and homeland defense operations in CBRN environments.
