Meeting Customer's Needs

Green Public Procurement (GPP)

Developing a C&T GPP will

- Give Clothing and Textile staff the training tools and processes needed to ensure customers meet requirements.
- Allow for a better understanding of customer needs, interests and requirements.
- Position Clothing and Textile to handle the future green procurement needs of customers.

Meeting Customer's Needs

Green Public Procurement (GPP)

Note: All federal customers are required by the Federal Acquisition Regulation (FAR) and Executive Order 14057 Catalyzing Clean Energy Industries And Jobs Through Federal Sustainability to assess and give preferences to environmentally preferable products.

Next Steps

- Develop a level of stakeholders within our customer community
- Provide a level of support and understanding with C&T manufacturers and suppliers on the importance of sustainability in their current and future manufacturing processes
