Special/Additional Features:		<p>The Expeditionary Field Kitchen, EFK, Cover, Prep Side is constructed of mildew and flame resistant, coated, polyester duck. The cover provides protection for the food preparation side of the container.</p> <p>The Expeditionary Field Kitchen (EFK) Cover Left Side, is a replacement cover for the Expeditionary Field Kitchen Trailer System. The Left Side Cover features are three each front windows with screen and clear covers along with exterior weather flaps. An additional same window is located on the end side panel along with an ECU duct/port which is on each end side panel. The front also has one weatherproof door. There are two ventilation systems located in the roof portion of the cover. The Cover assembly consists of an integrated inside white liner and insulation captured between the exterior and interior walls. All these panels are mated together to provide one integral replacement part.</p>
