Dear Valued Customer,

As you are aware, the COVID-19 pandemic has disrupted daily life and global supply chains. Polaris has not been immune from these impacts of which the full extent and longevity are unknown. Unfortunately, for the foreseeable future, this unprecedented situation may diminish our ability to produce and deliver in accordance with contract requirements. We seek your understanding while we navigate through this uncertain period.

Be assured that as circumstances permit while following federal, state and local government directives to the fullest extent, Polaris will make every effort to meet contract deliverables, but delays may occur.

Thank you for your understanding during this difficult time. If you should have any concerns, please feel free to contact me at 763-417-8608.

Sincerely,
