a. This contract constitutes the Government's acceptance of the Contractor's offer, including all revisions that were approved and accepted by the Government, under Request for Proposal (RFP) SPE8EC-21-R-0001. It is an Indefinite Delivery/Requirements Contract under which the Contractor shall function as a supplier for Material Handling Equipment.

b. Performance under this contract shall be governed by the Statement of Work (SOW) and terms and conditions of RFP SPE8EC-21-R-0001, and the following terms and conditions negotiated prior to award that were acceptable to both the Contractor and the Government.

d. The product base list unit prices set forth in the contractor's proposal dated July 31, 2022, and the final proposal discounts dated August 25, 2022, are applicable to the items specified in this contract and are shown on pages 13 - 29 of this contract.

The proposed product base list unit prices are from the manufacturer's current commercial price lists as provided and confirmed by Hyster-Yale Group, Inc.

The negotiated discounts on pages 13 - 29 of this contract shall remain in effect for the entire five-year contract period. The contract pricing (catalog price minus discount) shall be the ceiling price for any delivery order awarded under the contract. At any time, the Contractor can offer discounts greater than the contractual discounts.

e. In performance of this contract, any transportation of supplies by sea must comply with DFARS 252.247-7023, Transportation of Supplies by Sea.

H. CAUTION - CONTRACTOR CODE OF BUSINESS ETHICS (Nov 2021)

FAR Part 3.1002(a) requires all government contractors to conduct themselves with the highest degree of integrity and honesty. Contractors should have a written code of business ethics and conduct within thirty days of award. To promote compliance with such code of business ethics and conduct, contractors should have an employee business ethics and compliance training program that facilitates timely discovery and disclosure of improper conduct in connection with government contracts and ensures corrective measures are promptly instituted and carried out. A contractor may be suspended and/or debarred for knowing failure by a principal to timely disclose to the government, in connection with the award, performance, or closeout of a government contract performed by the contractor or a subcontract awarded there under, credible evidence of a violation of federal criminal law involving fraud, conflict of interest, bribery, or gratuity violations found in title 18 of the United States Code or a violation of the False Claims Act. (31 U.S.C. 3729-3733)

If this solicitation or contract includes FAR clause 52.203-13 - CONTRACTOR CODE OF BUSINESS ETHICS AND CONDUCT; the contractor shall comply with the terms of the clause and have a written code of business ethics and conduct; exercise due diligence to prevent and detect criminal conduct; promote ethical conduct and a commitment to compliance with the law within their organization; and timely report any violations of federal criminal law involving fraud, conflict of interest, bribery or gratuity violations found in title 18 of the United States Code or any violations of the False Claims Act. (31 U.S.C. 3729-3733). When FAR 52.203-13 is included in the contract, contractors must provide a copy of its written code of business ethics and conduct to the contracting officer upon request by the contracting officer.
