

## Hall of Fame Inductees

### **ELEANOR DIERS**

**Is inducted into the Defense Industrial Supply Center Hall of Fame this twentieth day of January 1999 for her extraordinary leadership and support as an Inventory Management Specialist in a Commodity Business Unit and for her continuous outstanding mission support throughout her tenure at DISC from 1965 to 1995. Ms. Diers consistently demonstrated leadership and motivational skills, innovation, intelligence and an unparalleled work ethic. She has always exhibited resourcefulness and determination in developing a team-based philosophy for cradle-to-grave management. Her willingness to share information and train associates was instrumental in decreasing backorders and improving overall supply availability. Also during her career, she accepted a challenging assignment working for the Army Materiel Command in Long Binh, Vietnam.**
