

## Hall of Fame Inductees

### **FLORENCIO CRUZ**

**Is inducted into the Defense Industrial Supply Center Hall of Fame this twentieth day of January 1999 for his extraordinary leadership and support as a Deputy Director of the Technical Operations Directorate and for his continuous outstanding mission support throughout his tenure at DSCP from 1981 to 1989. Mr. Cruz was responsible for many organizational changes that significantly improved the efficiency of the Technical Directorate. He oversaw an increase of personnel, and developed staffing tables and justification for the increases. He had the vision to create and adopt a performance measuring system to monitor the effectiveness of a multifunctional Directorate. He was the catalyst in implementing numerous productivity enhancement programs through the use of automation and software resystemization.**
