

Hall of Fame Inductees

CAPTAIN HENRY S. RUDOLPH MSC, U.S. NAVY (RET)

Is inducted into the Defense Personnel Support Center (DPSC) Hall of Fame this twelfth day of August 1994 for his extraordinary leadership and support in DPSC's Medical Materiel Directorate from 1965 to 1974. Captain Rudolph provided invaluable guidance and support during DPSC's early years when medical logistics was added to the command's mission. He established a fully equipped laboratory with facilities to test drugs, devices, and equipment. He also was the primary proponent of establishing an effective Navy medical logistics organization which became known as the Navy Medical Logistics Command. As a result of his exceptional knowledge of the medical logistics system, he became the first non-physician to be named as DPSC's Director of Medical Materiel.
