

Hall of Fame Inductees

PAUL WEISS

Is inducted into the Defense Industrial Supply Center Hall of Fame this twelfth day of December 1997 for his extraordinary leadership and support as the Deputy Director of the Supply Operations Directorate and for his continuous outstanding mission support throughout his tenure at DISC from 1953 to 1980. Ms. Weiss, the first GS-15 at DISC, served as the Deputy Director of Planning and Management, Deputy Comptroller and Deputy Director of Supply Operations. A dynamic leader, he guided the Center into the computer age and was deeply involved in the design and implementation of the first automated systems. He was also involved in the DoD single manager concept, the foundation for the establishment of DLA and its predecessor, DSA, and the initial transfer of items from the military services.
