III. START-UP PERIOD

An additional sixty (60) days will be granted for actual implementation. V. SUPPLIES OF SERVICES AND PRICES

ITEMS: Full-Line Fresh Fruit and Vegetables

CUSTOMERS: DoD Troop Customer and Non-DoD School Customers in the New York-New Jersey Zone listed in Attachment 2 of this document.

FOB TERMS: FOB Destination for all items.

NOTE: Paragraph (d) of the Economic Price Adjustment provision contained in the Solicitation enforces an upward ceiling on any economic price adjustments applicable to the instant Contract. Specifically, the aggregate of contract Delivered Price increases for each line item on the catalog subject to this provision shall not exceed 130 percent (%) for DoD Troop customers and 110 percent (%) for USDA New York-New Jersey School customers above that line item's initial Delivered Price on the awarded catalog. The respective percent (130%/110%) ceiling for each line item is in effect throughout the entire length of the contract period. To further illustrate this point, Attachment 1 (Final Pricing) includes a separate column that identifies the percentage EPA ceiling for the individual Delivered Prices of each line item on the catalog. This price represents the maximum increase in Delivered Price allowable for the entire 3-year length of the Contract. For additional information, see the EPA provision as specified in the Solicitation. That said, please be aware that just because an awardee furnishes a price revision on a biweekly basis that falls within the EPA clause's 130 percent (%) for DoD Troop customers and 110 percent (%) USDA School customers ceiling, does not automatically deem that price "fair and reasonable" and thus acceptable. The EPA provision is merely one separate factor that is considered by the Contracting Officer in arriving at his/her final "fair and reasonable" price determinations. Therefore, it is important to note that all other provisions of the Solicitation/Contract must be adhered to in conjunction with the aforementioned EPA provision.

CATALOGs #: DoD Troop customers and Non-DoD New York-New Jersey School customers will order

under SPE300-22-D-P381 (Troops) and SPE300-22-D-S381 (New Jersey - New York Schools). Gargiulo will invoice in accordance with the customer's orders.

All catalog pricing is valid from Sunday thru the following Saturday. Catalog updates must be received no later than 12:00 P.M. EST the preceding Wednesday.

DoD Troop Customers are required to place orders for "skip day" delivery. The School Customers are required to place orders no later than 96 hours before delivery date.

All pricing will be firm at time of order.

Once submitted through the applicable electronic ordering system (i.e. STORES or FFAVORS), an order may be cancelled by a customer up to one (1) day before scheduled delivery via written (e.g. Email) notification to the Contractor and the Contracting Officer. Less than one (1) day from delivery, an order may be cancelled by mutual agreement between the customer and the Contractor. In the event of an act of God, such as extreme weather, the specific situation regarding a cancelled delivery, within less than 1 day, will be dealt with in an equitable manner by the Contracting Officer, who has the ultimate authority and discretion to resolve said issues.
