Public Key Infrastructure (PKI) Certificate

Effective October 1, 2006, a Department Of Defense (DoD) Public Key Infrastructure (PKI) Certificate is required for all DoD users accessing Market Ready WEB Invoicing and accessing the Reconciliation Tool (Recon-Tool). Effective November 1, 2006, a DoD PKI Certificate will be required for all Contractor users accessing the Market Ready WEB Invoicing and the Reconciliation Tool. The requirement for PKI certificates is implemented in accordance with DoD security policy promoting secure electronic transactions.

Obtaining a PKI certificate

Contractors who do not work at a Department of Defense facility may purchase a DoD PKI certificate from one of three External Certificate Authorities (ECAs). The ECAs are vendors who provide digital certificates to DOD's industry partners who are using their own equipment or working in non-government facilities. A list of ECAs is available at https://www.ppirs.gov/pki_info.htm Each contractor employee accessing Market Ready WEB Invoicing and the Reconciliation Tool will need an Identity Certificate (An Encryption Certificate is not required). Certificate prices vary. Please contact ECAs for pricing. Each contractor must fully comply with the DoD requirement to implement PKI in order for our information systems to remain secure and viable.

(a) Definitions. As used in this clause --

Long-term contract means a contract of more than five years in duration, including options. However, the term does not include contracts that exceed five years in duration because the period of performance has been extended for a cumulative period not to exceed six months under the clause at 52.217-8, Option to Extend Services, or other appropriate authority.

Small business concern --

(1) Means a concern, including its affiliates, that is independently owned and operated, not dominant in the field of operation in which it is bidding on Government contracts, and qualified as a small business under the criteria in 13 CFR part 121 and the size standard in paragraph (d) of this clause. Such a concern is "not dominant in its field of operation" when it does not exercise a controlling or major influence on a national basis in a kind of business activity in which a number of business concerns are primarily engaged. In determining whether dominance exists, consideration shall be given to all appropriate factors, including volume of business, number of employees, financial resources, competitive status or position, ownership or control of materials, processes, patents, license agreements, facilities, sales territory, and nature of business activity.

(2) *Affiliates*, as used in this definition, means business concerns, one of whom directly or indirectly controls or has the power to control the others, or a third party or parties control or have the power to control the others. In determining whether affiliation exists, consideration is given to all appropriate factors including common ownership, common management, and contractual relationships. SBA determines affiliation based on the factors set forth at 13 CFR 121.103.

(b) If the Contractor represented that it was any of the small business concerns identified in 19.000(a)(3) prior to award of this contract, the Contractor shall rerepresent its size and socioeconomic status according to paragraph (f) of this clause or, if applicable, paragraph (h) of this clause, upon occurrence of any of the following:

(1) Within 30 days after execution of a novation agreement or within 30 days after modification of the contract to include this clause if the novation agreement was executed prior to inclusion of this clause in the contract.

(2) Within 30 days after a merger or acquisition that does not require a novation or within 30 days after modification of the contract to include this clause, if the merger or acquisition occurred prior to inclusion of this clause in the contract.

(3) For long-term contracts-

(i) Within 60 to 120 days prior to the end of the fifth year of the contract; and

(ii) Within 60 to 120 days prior to the date specified in the contract for exercising any option thereafter.
