Form**Award Document****I. SOLICITATION/CONTRACT FORM**

The terms and conditions set forth in solicitation SPE300-17-R-0029 are incorporated into subject contract.

The following documents are incorporated by reference into the subject contract: your final offer, which is being accepted by the Government to form this contract, Solicitation SPE300-17-R-0029 dated June 19, 2017, and all solicitation amendments issued there under as follows:

Amendment 0001, dated June 23, 2017
 Amendment 0002, dated July 14, 2017
 Amendment 0003, dated July 19, 2017
 Amendment 0004, dated July 21, 2017
 Amendment 0005, dated July 28, 2017
 Amendment 0006, dated August 2, 2017

II. PERFORMANCE PERIOD:

A. **Effective Period of the Contract:** September 20, 2017 through March 19, 2022.

B. Ordering commences on November 12, 2017, with first deliveries beginning November 19, 2017.

ESTIMATED DOLLAR VALUE/GUARANTEED MINIMUM/MAXIMUM

The following chart includes the 18 month estimated dollar value and the 4.5 year estimated dollar value, along with the guaranteed 10% minimum and 200% maximum. The guaranteed minimum and maximum, although based on estimates, are a firm dollar amount calculated as a percentage of the estimated dollar value; that firm dollar amount constitutes the Government's legal ordering obligation under the contract.

Montana and Northern Wyoming Zone	18 – Month Estimate (1st Tier)	4.5 Year Estimate (Total Including all Tiers)	10%Min	200% Max (4.5 Years)
Group 1 (Schools and Reservations)	\$1,150,000.00	\$3,450,000.00	\$115,000.00	\$6,900,000.00
Total	\$1,150,000.00	\$3,450,000.00	\$115,000.00	\$6,900,000.00

The term "18-Month Estimate" refers to the Government's good faith estimate of the requirement for an eighteen (18) month period.

The total minimum contract dollar value is \$115,000.00

The maximum contract dollar value is \$6,900,000.00

III. START-UP PERIOD

The Contractor's startup period will take place prior to the first order and is included in the 18-month period of the first Tier period. The Contractor shall submit a proposed implementation schedule to the Contracting Officer within fifteen (15) days after award highlighting the steps that will be taken to implement a fully functional distribution account, including all EDI transactions for all customers covered by this solicitation. An additional thirty (30) days will be granted for

actual implementation. No more than forty-five (45) days after award will be permitted for each contractor to have fully functional distribution accounts in place for all customers.

IV. ORDERING CATALOGS

The following are part of Grasmick Produce's offer and are hereby incorporated as part of subject contract: Offered delivered price to be utilized for first week of ordering. The Pricing Proposal spreadsheet submitted on August 30, 2017 is attached.

Distribution price for the Contract Period is as follows:

Distribution Price	Tier 1	Tier 2	Tier 3
Group 1 (Schools and Reservations)			

SUPPLIES OF SERVICES AND PRICES

ITEMS: Full-Line Fresh Fruit and Vegetables

CUSTOMERS: Non-DoD Customers in the Montana and Northern Wyoming Zone listed in Attachment 1 of this document.

FOB TERMS: FOB Destination for all items.

NOTE: Paragraph (d) of the Economic Price Adjustment provision contained in the Solicitation enforces an upward ceiling on any economic price adjustments applicable to the instant Contract. Specifically, the aggregate of contract Delivered Price increases for each line item on the catalog subject to this provision shall not exceed 90 percent (%) above that line item's initial Delivered Price on the awarded catalog. This 90 percent (%) ceiling for each line item is in effect throughout the entire length of the contract period. To further illustrate this point, Attachment 1 (Final Pricing) includes a separate column that identifies the 90 percent (%) EPA ceiling for the individual Delivered Prices of each line item on the catalog. This price represents the maximum increase in Delivered Price allowable for the entire 4.5-year length of the Contract. For additional information, see the EPA provision as specified in the Solicitation. That said, please be aware that just because an awardee furnishes a price revision on a weekly basis that falls within the EPA clause's 90 percent (%) ceiling, does not automatically deem that price "fair and reasonable" and thus acceptable. The EPA provision is merely one separate factor that is considered by the Contracting Officer in arriving at his/her final "fair and reasonable" price determinations. Therefore, it is important to note that all other provisions of the Solicitation/Contract must be adhered to in conjunction with the aforementioned EPA provision.

CATALOG #: Non-DoD School customers will order under SPE300-17-D-S695 and Non-DoD Reservation customers will order under SPE300-17-D-R695; Grasmick will invoice in accordance with the customer's orders.

All catalog pricing is valid from Sunday thru Saturday. Catalog updates must be received no later than 12:00 P.M. EST the preceding Wednesday.

The School and Reservation Customers are required to place orders no later than 72 hours before delivery date.

All pricing will be firm at time of order.

Grasmick will not invoke any additional charges for emergency orders (defined as an order that is placed for same day delivery).
