during the contract period inclusive of any tier period(s) shall not exceed 80% of the initial delivered price for each contract unit price. For Group 2a (PA Troops), the aggregate of contract Delivered Price increases for each item under this provision during the contract period inclusive of any tier period(s) shall not exceed 110% of the initial delivered price for each contract unit price. For Group 2b (Eastern PA Schools), the aggregate of contract Delivered Price increases for each item under this provision during the contract period inclusive of any tier period(s) shall not exceed 90% of the initial delivered price for each contract unit price. The respective percent (%) ceiling for each line item is in effect throughout the entire length of the contract period. To further illustrate this point, Attachment 1 (Final Pricing) includes a separate column that identifies the percentage EPA ceiling for the individual Delivered Prices of each line item on the catalog. This price represents the maximum increase in Delivered Price allowable for the entire 5-year length of the Contract. For additional information, see the EPA provision as specified in the Solicitation. That said, please be aware that just because an awardee furnishes a price revision on a biweekly basis that falls within the EPA clause's 80 percent (%) for USDA School customers ceiling for Group 1 or EPA clause's 110 percent (%) for DoD Troop customers ceiling for Group 2a or EPA clause's 90 percent (%) for USDA School customers for Group 2b, does not automatically deem that price "fair and reasonable" and thus acceptable. The EPA provision is merely one separate factor that is considered by the Contracting Officer in arriving at his/her final "fair and reasonable" price determinations. Therefore, it is important to note that all other provisions of the Solicitation/Contract must be adhered to in conjunction with the aforementioned EPA provision.

CATALOG #: Non-DoD School Customers in the Western Pennsylvania School Zone will order under SPE300-23-D-S409. DoD Troop Customers in the Pennsylvania Zone will order under SPE300-23-D-P409. Non-DoD School Customers in the Eastern Pennsylvania School Zone will order under SPE300-23-D-SA05. Seashore will invoice in accordance with the customer's orders.

All catalog pricing is valid from Sunday thru the following Saturday. Catalog updates must be received no later than 12:00 P.M. EST the preceding Wednesday.

The DoD Troop and USDA School Customers are required to place orders no later than 96 hours before delivery date.

All pricing will be firm at time of order.

Once submitted through the applicable electronic ordering system (i.e., FFAVORS), an order may be cancelled by a customer up to one (1) day before scheduled delivery via written (e.g., Email) notification to the Contractor and the Contracting Officer. Less than one (1) day from delivery, an order may be cancelled by mutual agreement between the customer and the Contractor. In the event of an act of God, such as extreme weather, the specific situation regarding a cancelled delivery, within less than 1 day, will be dealt with in an equitable manner by the Contracting Officer, who has the ultimate authority and discretion to resolve said issues.
