52.204-13 – System for Award Management Maintenance (Jul 2013)-FAR

(a) *Definition.* As used in this clause--

“Data Universal Numbering System (DUNS) number” means the 9-digit number assigned by Dun and Bradstreet, Inc. (D&B) to identify unique business entities, which is used as the identification number for Federal Contractors.

“Data Universal Numbering System+4 (DUNS+4) number” means the DUNS number assigned by D&B plus a 4-character suffix that may be assigned by a business concern. (D&B has no affiliation with this 4-character suffix.) This 4-character suffix may be assigned at the discretion of the business concern to establish additional SAM records for identifying alternative Electronic Funds Transfer (EFT) accounts (see the FAR at subpart 32.11) for the same concern.

“Registered in the System for Award Management (SAM) database” means that—

- (1) The Contractor has entered all mandatory information, including the DUNS number or the DUNS+4 number, the Contractor and government Entity (CAGE) code, as well as data required by the Federal Funding Accountability and Transparency Act of 2006 (see subpart 4.14), into the SAM database;
- (2) The Contractor has completed the Core, Assertions, Representations and Certifications, and Points of Contact sections of the registration in the SAM database;
- (3) The Government has validated all mandatory data fields, to include validation of the Taxpayer Identification Number (TIN) with the Internal Revenue Service (IRS). The Contractor will be required to provide consent for TIN validation to the Government as a part of the SAM registration process; and
- (4) The Government has marked the record “Active”.

“System for Award Management (SAM)” means the primary Government repository for prospective Federal awardee and Federal awardee information and the centralized Government system for certain contracting, grants, and other assistance-related processes. It includes—

- (1) Data collected from prospective Federal awardees required for the conduct of business with the Government;
- (2) Prospective contractor-submitted annual representations and certifications in accordance with FAR subpart 4.12; and

(3) Identification of those parties excluded from receiving Federal contracts, certain subcontracts, and certain types of Federal financial and non-financial assistance and benefits.

(b) The Contractor is responsible for the accuracy and completeness of the data within the SAM database, and for any liability resulting from the Government's reliance on inaccurate or incomplete data. To remain registered in the SAM database after the initial registration, the Contractor is required to review and update on an annual basis, from the date of initial registration or subsequent updates, its information in the SAM database to ensure it is current, accurate and complete. Updating information in the SAM does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.

(c)

(1)

(i) If a Contractor has legally changed its business name, doing business as name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in subpart 42.12, the Contractor shall provide the responsible Contracting Officer a minimum of one business day's written notification of its intention to—

(A) Change the name in the SAM database;

(B) Comply with the requirements of subpart 42.12 of the FAR; and

(C) Agree in writing to the timeline and procedures specified by the responsible Contracting Officer. The Contractor shall provide with the notification sufficient documentation to support he legally changed name.

(ii) If the Contractor fails to comply with the requirements of paragraph (c)(1)(i) of this clause, or fails to perform the agreement at paragraph (c)(1)(i)(C) of this clause, and, in the absence of a properly executed novation or change-of-name agreement, the SAM information that shows the Contractor to be other than the Contractor indicated in the contract will be considered to be incorrect information within the meaning of the "Suspension of Payment" paragraph of the electronic funds transfer (EFT) clause of this contract.

(2) The Contractor shall not change the name or address for EFT payments or manual payments, as appropriate, in the SAM record to reflect an assignee for the purpose of assignment of claims (see FAR subpart 32.8, Assignment of Claims). Assignees shall be separately registered in the SAM. Information provided to the Contractor's SAM record that indicates payments, including those made by EFT, to an ultimate recipient other than that Contractor will be considered to be incorrect information within the meaning of the "Suspension of Payment" paragraph of the EFT clause of this contract.

(3) The Contractor shall ensure that the DUNS number is maintained with Dun & Bradstreet throughout the life of the contract. The Contractor shall communicate any change to the DUNS number to the Contracting Officer within 30 days after the change, so an appropriate modification can be issued to update the data on the contract. A change in the DUNS number does not necessarily require a novation be accomplished. Dun & Bradstreet may be contacted—

(i) Via the internet at <http://fedgov.dnb.com/webform> or if the Contractor does not have internet access, it may call Dun and Bradstreet at 1-866-705-5711 if located within the United States; or

(ii) If located outside the United States, by contacting the local Dun and Bradstreet office.

(d) Contractors may obtain additional information on registration and annual confirmation requirements at <https://www.acquisition.gov>.

Contract Terms and Conditions – Commercial Items

The following paragraph(s) of 52.212-4 are amended as indicated below:

1. Paragraph (a), Inspection/Acceptance, is revised to add the following:

“Inspection and acceptance of products will be performed at destination. The authorized Government receiving official for each customer is responsible for signing for and accepting products when they are delivered. The final disposition decision rests with the food service officer and/or the authorized Government receiving official.”

2. Paragraph (c), Changes, is deleted in its entirety and replaced with the following:

(c) Changes.

- (1) In addition to bilateral changes, the Contracting Officer, at his/her discretion, may unilaterally invoke any of the contingency options set forth in this contract.
- (2) The Contracting Officer may at any time, by unilateral written order, make changes within the general scope of this contract in any one or more of the following:
 - (i) Method of shipment or packing;
 - (ii) Place, manner, or time of delivery.
- (3) If such change causes an increase or decrease in the cost of, or time required for, performance for any part of the work under this contract, the Contracting Officer shall make equitable adjustment in the contract price, the delivery schedule, or both, and shall modify the contract.
- (4) The Contractor must assert its right to an adjustment under this clause within thirty (30) days from the date of receipt of the written order. However, if the Contracting Officer decides that the facts justify it, the Contracting Officer may receive and act upon a proposal submitted before final payment of the contract.
- (5) Failure to agree to any adjustment shall be a dispute under the Disputes Clause. However, nothing in this clause shall excuse the Contractor from proceeding with the contract.

3. Paragraph (m), Termination for Cause.

Delete paragraph (m) in its entirety and substitute the following:

- (m) *Termination for Cause.* The Government may terminate this contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any contract terms and conditions, or fails to provide the Government upon request, with adequate assurances of future performance. In the event of termination for cause, the Government shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to the Government for any and all rights and remedies provided by law. If this contract is terminated in whole or in part for cause, and the supplies or services covered by the contract so terminated are repurchased by the Government, the Government will incur administrative costs in such repurchases. The Contractor and the Government expressly agree that, in addition to any excess costs of repurchase, or any other damages resulting from such default, the Contractor shall pay, and the Government shall accept, the sum of \$1350.00 as payment in full for the administrative costs of such repurchase. This assessment of damages for administrative costs shall apply for any termination for cause following which the Government repurchases the terminated supplies or services together with any incidental or consequential damages incurred because of the termination. If it is determined that the Government improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

4. Paragraph (r) Compliance with laws unique to Government contracts. Is revised to include the following:

- (r)The Contractor agrees to comply with 31 U.S.C. 1352 relating to limitations on the use of appropriated funds to influence certain Federal contracts; 18 U.S.C. 431 relating to officials not to benefit; 40 U.S.C. 3701, *et seq.*, Contract Work Hours and Safety Standards Act; 41 U.S.C.

"Data Universal Numbering System+4 (DUNS+4) number" means the DUNS number assigned by D&B plus a 4-character suffix that may be assigned by a business concern. (D&B has no affiliation with this 4-character suffix.) 52.212-1 Instructions to Offerors – Commercial Items (JUL 2013) – FAR

Note: 52.212-1, Instructions to Offerors – Commercial Items (JUL 2013) is incorporated in this solicitation by reference. Its full text may be accessed electronically at <https://www.acquisition.gov/far/index.html>. Text is available for viewing in Subpart 52.2 Text of Provisions and Clauses, through either the HTML or PDF Format links.

The following paragraphs of 52.212-1 are amended as indicated below:

1. Paragraph (b), *Submission of Offers*.

a. See pages 6-8, for any specific instructions on how to submit your offer if mailed or hand carried and see pages 105-109 for proposal submission information.

b. Faxed and E-mail offers are NOT authorized for this solicitation for initial closing and final proposal revisions (if necessary). If deemed necessary by the Contracting Officer, the Government reserves the right to conduct negotiations for the subject acquisition. Initial responses to negotiations shall be in a form of communication customary in the industry for transmitting information to include phone, facsimile transmission, letter, in-person and e-mail. However, any information provided during negotiations, to include all changes to the initial offer, must be reduced to writing and transmitted to the DLA Troop Support Business Opportunities Office by the time and date specified at the time of Final Proposal Revisions. Information not submitted to the DLA Troop Support Business Opportunities Office by the specified date and time will not be considered by the Government during final evaluations.

2. Paragraph (c), *Period for Acceptance of Offers*, is revised as follows:

Period of acceptance is **180** days.

3. Paragraph (f), *Late Submissions, Modifications, Revisions, and Withdrawals of Offers*, is deleted in its entirety and replaced with the following:

(f) Late Submissions, Modifications, Revision, and Withdrawals of Offers.

(1) Any proposal received at the office designated in the solicitation after the exact time specified for receipt of offers will not be considered unless it is received before award is made and:

(i) It was sent by mail or hand-carried (including delivery by a commercial carrier) if it is determined by the Government that the late receipt was due primarily to Government mishandling after the receipt at the Government installation.

(ii) It was sent by U.S. Postal Service Express Mail Next Day Service-Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals.

(iii) There is acceptable evidence to establish that it was received at the activity designated for receipt of offers and was under the Government's control to the time set for receipt of offers, and the Contracting Officer determines that accepting the late offer would not unduly delay the procurement; or it is the only proposal received.

(2) Any modification or revision of a proposal or response to requested information, including any final proposal revision, is subject to the same conditions indicated above.

(3) Notwithstanding the above, a late modification or revision of any otherwise successful proposal that makes its terms more favorable to the Government will be considered at any time it is received and may be accepted.

(4) Proposals may be withdrawn by written notice (including facsimile) received at any time before award.

4. Paragraph (h), Multiple Awards, is revised to add the following:

The Government intends to make one (1) award, which includes both Groups 1 and 2, however; it reserves the right to have multiple awards based on the lowest aggregate evaluated price technically acceptable offer for each Group. Offerors shall submit their best proposal for each Group independently due to the Government's right to make separate awards for Groups 1 and 2. Offerors are required to offer on all items in the Schedule of Items for each Group; failure to do so may result in exclusion from award consideration.

52.212-2 Evaluation – Commercial Items (JAN 1999) – FAR

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. The following factors shall be used to evaluate offers: **See Addendum Below**

(b) *Options*. The Government will evaluate offers for award purposes by adding the total price for all options to the total price for the basic requirement. The Government may determine that an offer is unacceptable if the option prices are significantly unbalanced. Evaluation of options shall not obligate the Government to exercise the option(s).

(c) A written notice of award or acceptance of an offer, mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer, shall result in a binding contract without further action by either party. Before the offer's specified expiration time, the

Government may accept an offer (or part of an offer), whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award.

Addendum to FAR 52.212-2, Evaluation of Commercial Items (Jan 1999)

Revise paragraph (a) to read as follows:

(a) The Government will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the Government, price and other factors considered. Lowest Price Technically Acceptable (LPTA) Source Selection Procedures will be used as the Source Selection Method in this procurement. The following factors shall be used to evaluate offers:

1. **Technical Acceptability** – A technically acceptable offer is an offer that takes no exceptions to the terms and conditions (for each Group, if applicable) in the solicitation. By submitting a proposal with no exceptions, an offeror is confirming they possess the necessary facilities, equipment, technical skills and capacity to successfully provide all items to all customers in groups 1 and 2 required by this solicitation.
2. **Pricing** -Pricing is required for all items found in the Schedule of Items (for each Group, if applicable). The Government will perform an aggregate price analysis on all items found in the Schedule of Items (for each Group, if applicable). To determine an offeror's evaluated aggregate price, the estimated quantities in the Schedule of Items will be multiplied by the offered unit prices, on an individual line item basis, and will be evaluated to determine fair and reasonableness with the ultimate award decision based on the lowest evaluated aggregate price (for each Group, if applicable). The Government reserves the right to remove item(s) from the Schedule of Items or do a common item comparison if offerors do not submit pricing for all items.

The Government will make an award to the responsible offeror whose offer is the lowest evaluated aggregate price offered meeting the technical acceptability standard. The Government intends to make one (1) award, which includes any and all Groups where applicable; however, it reserves the right to have multiple awards based on the lowest aggregate evaluated priced, technically acceptable offer for each Group.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) Examples.

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals Contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. §362 (the Bankruptcy Code).
