A waiver of the Non-Manufacturer rule has not been requested for this acquisition because it is an acquisition for multiple items. In accordance with 13 CFR 121.406(e), if at least 50% of the estimated contract value of an acquisition for multiple items is composed of items that are manufactured by small business concerns, then a waiver of the Non-Manufacturer rule is not required. As such, for this acquisition, it is expected that items comprising at least 50% of the contract value will be manufactured by small business concerns. The contracting officer must be immediately notified if it appears as though this requirement will not be met."
