SOW**STATEMENT OF WORK**[Supplies or Services and Prices](#)**I. INTRODUCTION**

- A. The Defense Logistics Agency (DLA Troop Support) intends to support the needs of its customers by entering into one Indefinite Quantity Contract (IQC) per group to supply fresh Milk and Dairy items to the customers stated below. This solicitation contains the estimated requirements for these items for various customers in the state of **Kentucky**. The solicitation contains three (3) groups:

Group 1: KY: Ft. Campbell**Group 2: KY: Ft. Knox**

NOTE: Customers may be added or deleted during the period of the contract.
(SEE CONTRACT ADMINISTRATION DATA SECTION, ADDITIONAL CUSTOMERS FOR DETAILS)

- B. The resultant contract(s) will be fixed price Indefinite Quantity Contracts (IQC's) with EPA applied to Class 1 fluid milk items and firm-fixed price for all other items, for an indefinite quantity, within stated limits, of specific supplies to be furnished during a fixed period, with deliveries to be scheduled by placing orders with the contractor (FAR 16.540(a)). The duration of the contract(s) are for a term of 36 months

(three-year period). For all Class I fluid milk items, the EPA will be applied throughout the contract. Pricing for all other items will have two separate pricing tiers and the pricing will remain firm-fixed for each pricing tier. The first pricing tier shall be for the 18-month period beginning on December 19, 2021 and ending on June 17 2023. The second pricing tier shall be for the following 18-month period beginning on June 18, 2023 and ending on December 14, 2024. The effective ordering period for any contract resulting from this solicitation shall be from December 19, 2021 and ending on December 14, 2024.

Form (CONTINUED)

Delivery - The current delivery schedule for each location is set forth in the statement of work. Offerors shall indicate their agreement to the current schedule or propose an alternate schedule. Delivery on all products is required, no less than on a weekly basis and should be in accordance with standard commercial practice.

GUARANTEED MINIMUM/MAXIMUM

The guaranteed minimum for is 10% of the estimated dollar value of TIER 1

The maximum ceiling, on the resultant contract, is 250% of the estimated dollar value of the award per 36-month contract period.

PRICING

A. Offerors are required to submit a copy of their current Wholesale Price List Schedule or other documents containing commercial pricing information.

B. Prices shall be FOB Destination only.

C. Offerors are required to cross-reference the prices on the Wholesale Price List, Catalog Price Schedule or other pricing documents to the item number on the solicitation.

There are several ways of accomplishing this, including writing the item number, as specified in the solicitation, next to the price and item description on the price list. Please do not submit a separate list of information especially prepared for this solicitation; the pricing catalog, complete with cross-references, is requested.

In order to accommodate the Government's ordering system, the Subsistence Total Order and Receipt Electronic System (STORES), unit prices are limited to a maximum of two (2) places after the decimal point". In addition, the system requires that prices be fixed for a certain period of time.

The Contract Specialist will contact the vendor and arrange to have the item added to the STORES catalog in coordination with the Contracting Officer.

Prior to its inclusion in the STORES catalog, the pricing for each additional item must be negotiated and the Contracting Officer must determine that the price for the respective item is fair and reasonable.

Additional items may be added or removed from the contract. However, any items that are added may not increase the value of the contract above the contract maximum.

IMPORTANT NOTE: Items not on the STORES catalog CANNOT be ordered from the contractor under the resulting contract. Payments will not be made for items not appearing on the catalog at time of order.

The Government reserves the right to remove any items from the Schedule of Items from the Group should an (all offeror(s) not bid on all the items.

those that receive Federal funding. The Government reserves the right to unilaterally remove DoD customers from the resultant award by way of formal modification.

CUSTOMER SERVICE POLICY

The contractor(s) shall treat each of the customers covered under the contract as one of its best customers. Therefore, any treatment and/or customer service policy given to other essential accounts shall also be given to the customers covered under the resulted contract.

NEGOTIATIONS

For the subject acquisition, the Government intends to evaluate offers and award the contract without discussions with offerors. Therefore, the offeror's initial offer should contain the offeror's best terms from a price and technical standpoint.

However, the Government reserves the right to conduct negotiations if later determined by the Contracting Officer to be necessary. The Government may reject any or all offers if such action is in the public interest; and waive informalities and minor irregularities in offers received.

- A. Initially, a copy of the STORES Orders will be transmitted via FAX (unless they are an EDI vendor) from the customers listed in this solicitation to the successful awardee. While it is not a requirement of this solicitation, vendors are encouraged to have a separate FAX line in order to accommodate orders in a timely, efficient manner.
- B. EDI capability is not a requirement for award under this solicitation; however, offerors should consider moving towards a fully functional EDI environment. In order to interface with STORES electronically, the offeror must be able to support the following EDI transaction sets:

However, a customer may decide to place an order with a longer lead-time for delivery except as noted on Section VI-A. Holidays of this Solicitation.

Both RapidGate and DBIDS manage access to Department of Defense (DoD) installations and will not allow entry without clearance. During the contract start-up/ implementation period, the Contractor must contact all customer locations to determine whether enrollment in RapidGate, DBIDS, or another security program is required for access to each location. If RapidGate, DBIDS, or other security enrollment is required, the Contractor must take all necessary steps to obtain this in time for the start of performance

under this contract.

Failure to have clearance may result in a vendor being turned away from the base and being unable to complete delivery. The Contractor is responsible for any costs associated with RapidGate, DBIDS, and/or other security program enrollment and must ensure that a RapidGate or DBIDS enrolled driver is available for all deliveries.

We currently estimate that RapidGate enrollment will cost about \$250 per company and \$200 per enrolled employee for 1 year of access to multiple locations, but the cost of RapidGate or other security enrollment may vary, so the Contractor should contact RapidGate to determine its own costs. If more than one driver is required, RapidGate or DBIDS enrollment must be obtained for each driver. Note that enrollment can take several weeks, so an awardee that is not already enrolled must begin enrollment at the time of award notification at the latest. If difficulty or delay in enrollment in RapidGate or DBIDS is encountered during the start-up/implementation period, the Contractor MUST contact RapidGate, DBIDS, and/or the Security Officer at the applicable customer locations to resolve any issues with processing RapidGate, or DBIDS enrollment so that the Contractor will be able to deliver as required.

Please note that RapidGate and/or the Defense Biometric Identification System (DBIDS) is currently a requirement for access to some military bases; however, these and other locations may require enrollment in other security programs now or at some time in the future. In this event, the contractor is responsible for obtaining all required enrollments and clearances for each of their drivers as soon as they receive notice of such a requirement.

For additional information regarding RapidGate and DBIDS, including enrollment instructions, please visit their websites at www.rapidgate.com and <http://dbids.dmdc.mil/DBIDS>

Warranties

The supplies furnished under the resultant contract(s) shall be covered by the most favorable commercial warranties the contractor gives to any customer for such supplies and the rights and remedies provided therein are in addition to and do not limit any rights afforded to the Government by Clause 52.212-4(o) "Warranty" contained in the solicitation.

Rejection Procedures

- A. If product is determined to be defective, damaged, or compromised in any other manner, it may be rejected by the Authorized Receiving Official (ARO). All suspect items shall be segregated.
- B. When product is found to be nonconforming or damaged or otherwise suspect, the receiving personnel shall notify the Food Service Officer (FSO) (and/or) Authorized Receiving Official.
- C. It is a requirement of this solicitation that product shall be inspected upon receipt as promptly as practicable. However, failure to promptly inspect or accept supplies shall not relieve the contractor from responsibility, nor impose liability on any of the customers, for nonconforming supplies.
- D. If an item is rejected at the time of delivery, the delivery ticket/invoice must be annotated to reflect what item(s) and quantity (ies) were affected. The line item dollar value, as well as, the total invoice dollar value must be adjusted to reflect the adjusted value of the shipment.
- E. If product is rejected after the delivery occurred, the vendor must pick up the rejected product at the time the next regular shipment is made.

Contract Closeout

CONTINUED ON NEXT PAGE

Form (CONTINUED)

Individual delivery orders shall be invoiced within five (5) days from the actual date of delivery. Cumulative delivery order closeout will result in total contract closeout. It is the Government's intent to closeout contracts within 60 days from the date of the final delivery.

DELIVERIES AND PERFORMANCE**I. ITEM AVAILABILITY**

All items must be available in sufficient quantities to fill the customers' requirements. **ALL DELIVERIES MUST BE MADE WITHIN 48 HOURS AFTER ORDER PLACEMENT OR LEAD TIME STATED IN CONTRACT UNLESS OTHERWISE AUTHORIZED BY THE CUSTOMER.**

Contractors must have the ability to provide to the customers a range of milk and other dairy items in sufficient quantities to fill all customer requirements and maintain the overall 97% contract fill rate. All supplies shall be delivered on a "fill or kill" per line item basis (i.e. If a Contractor cannot fill a line item, the line item dies). Therefore, item substitutions are not authorized.

- B. Contractors shall notify the customer within 24 hours of required delivery date/time of the non-availability of any particular ordered item, whether in whole or in part. The customer may choose to replace the non-available item with another item from the contract catalog by placing a new, separate order for the item in STORES as applicable. Assuming the proper procedure is followed, this circumstance (i.e. replacement of a NIS item with a separate order for another catalog item) will not negatively impact a Contractor's fill rate.

II. DELIVERY INSTRUCTIONS

- A. Deliveries shall be made FOB Destination to each ordering activity and shall be free of damage, with all packing and packaging intact.
- B. Deliveries shall be made when and as requested by the Ordering Officer(s) of the activity concerned, and shall be accompanied by the delivery ticket of the dealer in triplicate, showing the exact quantities delivered. Deliveries shall be made by the contractor any day, except Holidays, between the hours and location specified by the Ordering Officer (see Delivery Points /Schedule).
- C. Deliveries are required as indicated and between the hours listed on the delivery under Times/Frequency. Occasionally, delivery times may need to be readjusted by the ordering activity.
- D. The customer will be responsible to notify the contractor of any changes in location or departure date.
- E. The contractor warrants that they will provide a person and telephone number where orders and changes can be received between 9:00 am and 4:00 pm, Monday through Saturday.

III. DELIVERY VEHICLE REQUIREMENTS

- A. Supplies transported in vehicles that are not sanitary, or that have not maintained the proper temperatures, may be rejected at destination without further inspection.
- B. Shipping containers shall be in compliance with the National Motor Freight Classification and Uniform Freight Classification Code.

CONTINUED ON NEXT PAGE

Form (CONTINUED)**IV. NO SUBSTITUTIONS**

- A. If an item is not available, vendor is NOT to substitute an item without having a separate purchase order for the additional item. Customer MUST zero-out unavailable item(s) in STORES. Customer will be directly responsible for payment of any items not appearing on a STORES purchase order.
- B. The customer must authorize any substitution to their order prior to delivery. Substitutions must be of the same or higher quality and at the same or lower price. Payment of items will be based on the price in the vendor's electronic catalog. Therefore, firms that submit an invoice reflecting a higher price for substituted items will not be paid the full amount and will only be reimbursed for the unit price shown in the catalog.
- C. If the price of the substituted item is lower than the price of the item originally ordered, then the vendor shall invoice at the lower price and not the catalog price.

V. HOLIDAYS

- A. All orders are to be delivered on the specified delivery date, except for Federal holidays as outlined below. When a scheduled delivery day falls on one of these days, or one designated by your firm, delivery should occur on the next scheduled business day, unless otherwise agreed to by the customer.

New Year's Day Labor Day
Martin Luther King's Birthday Columbus Day
President's Day Veteran's Day
Memorial Day Thanksgiving Day
Independence Day Christmas Day

NOTE: Saturday holidays are celebrated on the preceding Friday; Sunday holidays are celebrated on the following Monday.

- B. Holidays celebrated by your firm other than those specified above must be listed below. Also specify your policy for celebrating holidays that fall on the weekend.

VI. EMERGENCY ORDERS

- A. In order to adequately support emergency orders, the vendor must have the ability to provide "same day service" to a customer that is experiencing an emergency situation.
- B. The vendor shall provide, at maximum, two (2) emergency orders per month, per individual ordering activity or individual ship or vessel, at no additional cost to the Government.
- C. The vendor is responsible for furnishing the name of the designated point of contact responsible for handling emergency orders, and his/her phone number and/or pager number, to the customers.

State Minimum Price Regulations

Acquisitions financed by appropriated funds are made under authority of Chapter 137, Title 10 United States Code (U.S.C.), and the Defense Federal Acquisition Regulation Supplement (DFARS). Pursuant to Paul versus United States decided by the Supreme Court of the United States on 14 January 1963, state minimum distributor price regulations with respect to milk or milk products are not applicable to such acquisitions.

Special Provisions for Bulk Milk Dispensing Equipment - DLA Troop Support Subsistence

(a) General. Regulations require that the cost to the Government for bulk milk dispensing equipment must be identified and paid for from a different fund than the milk itself. Accordingly, unit and extended prices on each offered item requiring the furnishing of bulk milk dispensing equipment will be broken down and will state separately (1) the charge for the milk itself, and (2) the charge for the bulk milk dispensing equipment called for by that item. The dispensing equipment charge will include the cost of furnishing, installing, servicing, maintaining and removing such equipment. Evaluation of offers will be based on the total charge for each such item. By submission of this offer, the offeror confirms that the separate charges entered for such items represent the true and accurate charges for the milk and bulk milk dispensing equipment, and that the price offered for milk does not include any cost on account of bulk milk dispensing equipment. Dispensing equipment charge will be the per- gallon rate for equipment and services.

(b) Invoices. Invoices covering items requiring the furnishing of bulk milk dispensing equipment must show separately for each such item the charge for the milk product furnished and the applicable charge for the bulk milk dispensing equipment.

(c) Computations. (Applicable only in contracts which contemplate the use of both government-furnished and Contractor-furnished dispensers.)

(1) Basic. To the extent both government-furnished and Contractor-furnished equipment is to be used in the dispensing of bulk milk required under this contract, the following dispenser charge procedures shall apply. In each case, the Government shall give written notice to the Contractor stating which of the consumption

Form (CONTINUED)

points will employ Contractor-furnished dispensers exclusively. Such points shall be called "Contractor Dispenser Points".

(2) Central deliveries. Where bulk milk is delivered to a central delivery point for redistribution by the Government both to Contractor dispenser points and to other consumption points, data shall be furnished by such central delivery point to the Contractor stating the gallonage issued during the invoice period to Contractor-dispenser points. Such data shall be the basis of invoicing dispenser charges.

(3) Direct deliveries. Where bulk milk is delivered to Contractor Dispenser Points directly by Contractor, delivery receipt data applicable to such points shall be the basis of such invoicing.

(4) Mixed-equipment points. Where bulk milk is delivered either directly or through a central delivery point to any consumption point where any or all of the dispensers are furnished by the Government, no dispenser charges shall be applicable to, such milk, except as provided below. Contractor shall not be required to furnish dispensers at any consumption point where any Government dispensers are located, except as provided below.

(5) Urgency exception. Where urgent requirements, as determined by the ordering officer, necessitate the use of both Government and Contractor-furnished dispensers at the same consumption point, the minimum number of Contractor-furnished dispensers shall be ordered in writing only and supplied to such point. In such case, dispenser charges (per line item) shall apply to that proportion of the bulk milk delivered to such point which corresponds to the proportion of Contractor-furnished dispenser spigots to the total number of spigots at such point. (For example: If half the number of spigots used in dispensing chocolate milk at that point are Contractor-furnished, half of the chocolate milk gallonage there shall be subject to the dispenser charge).

Part 12 Clauses (CONTINUED)**52.219-4 NOTICE OF PRICE EVALUATION PREFERENCE FOR HUBZONE SMALL BUSINESS CONCERNS (DEVIATION 2020-O0008) (MAR 2020) FAR**

(a) Definitions. As used in this clause --

“HUBZone small business concern” means a small business concern, certified by the Small Business Administration (SBA), that appears on the List of Qualified HUBZone Small Business Concerns maintained by the SBA (13 CFR 126.103).

“Similarly situated entity” means a first-tier subcontractor, including an independent contractor, that --

- (1) Has the same small business program status as that which qualified the prime contractor for the award (e.g., for a small business set-aside contract, any small business concern, without regard to its socioeconomic status); and
- (2) Is considered small for the size standard under the North American Industry Classification System (NAICS) code the prime contractor assigned to the subcontract.

(b) Evaluation preference.

(1) Offers will be evaluated by adding a factor of 10 percent to the price of all offers, except --

- (i) Offers from HUBZone small business concerns that have not waived the evaluation preference; and
- (ii) Otherwise successful offers from small business concerns.

(2) The factor of 10 percent shall be applied on a line item basis or to any group of items on which award may be made. Other evaluation factors described in the solicitation shall be applied before application of the factor.

(3) When the two highest rated offerors are a HUBZone small business concern and a large business, and the evaluated offer of the HUBZone small business concern is equal to the evaluated offer of the large business after considering the price evaluation preference, award will be made to the HUBZone small business concern.

(c) Waiver of evaluation preference. A HUBZone small business concern may elect to waive the evaluation preference, in which case the factor will be added to its offer for evaluation purposes. The agreements in paragraphs (e) and (f) of this clause do not apply if the Offeror has waived the evaluation preference.

Offeror elects to waive the evaluation preference.

(d) Independent contractors. An independent contractor shall be considered a subcontractor.

(e) Limitations on subcontracting. By submission of an offer and execution of a contract, a HUBZone small business concern agrees that, in the case of a contract assigned a NAICS code for --

- (1) Services (except construction), it will not pay more than 50 percent of the amount paid by the Government for contract performance to subcontractors that are not similarly situated entities. Any work that a similarly situated entity further subcontracts will count toward the prime contractor's 50 percent subcontract amount that cannot be exceeded. When a contract includes both services and supplies, the 50 percent limitation shall apply only to the service portion of the contract. Other direct costs are excluded to the extent they are not the principal purpose of the contract and cannot be obtained from small business concerns;
- (2) Supplies (other than procurement from a nonmanufacturer of such supplies), it will not pay more than 50 percent of the amount paid by the Government for contract performance, excluding the cost of materials, to subcontractors that are not similarly situated entities. Any work that a similarly situated entity further subcontracts will count toward the prime contractor's 50 percent subcontract amount that cannot be exceeded. When a contract includes both supplies and services, the 50 percent limitation shall apply only to the supply portion of the contract;
- (3) General construction, it will not pay more than 85 percent of the amount paid by the Government for contract performance, excluding the cost of materials, to subcontractors that are not similarly situated entities. Any work that a similarly situated entity further subcontracts will count toward the prime contractor's 85 percent subcontract amount that cannot be exceeded; or
- (4) Construction by special trade contractors, it will not pay more than 75 percent of the amount paid by the Government for contract performance, excluding the cost of materials, to subcontractors that are not similarly situated entities. Any work that a similarly situated entity further subcontracts will count toward the prime contractor's 75 percent subcontract amount that cannot be exceeded.

(f) A HUBZone joint venture agrees that the aggregate of the HUBZone small business concerns to the joint venture, not each concern separately, will perform the applicable requirements specified in paragraph (e) of this clause.

(g) Nonmanufacturer.

(1) Unless SBA has waived the requirements of paragraphs (g)(1)(i) through (iii) of this clause in accordance with 13 CFR 121.1204, a HUBZone small business concern that provides an end item it did not manufacture, process, or produce, shall --

- (i) Provide an end item that a small business has manufactured, processed, or produced in the United States or its outlying areas;
- (ii) Be primarily engaged in the retail or wholesale trade and normally sell the type of item being supplied; and
- (iii) Take ownership or possession of the item(s) with its personnel, equipment, or facilities in a manner consistent with industry practice; for example, providing storage, transportation, or delivery.

(2) For contracts or orders for multiple end items, at least 50 percent of the total value of the contract or order shall be manufactured, processed, or produced in the United States or its outlying areas by small business concerns.

Part 12 Clauses (CONTINUED)

(3) Paragraphs (g)(1) through (2) of this clause do not apply --

- (i) To construction or service contracts; or
- (ii) When the Offeror waives the evaluation preference.

(h) Notice. The HUBZone small business Offeror acknowledges that a prospective HUBZone awardee must be a HUBZone small business concern at the time of award of this contract. The HUBZone offeror shall provide the Contracting Officer a copy of the notice required by 13 CFR 126.501 if material changes occur before contract award that could affect its HUBZone eligibility. If the apparently successful HUBZone Offeror is not a HUBZone small business concern at the time of award of this contract, the Contracting Officer will proceed to award to the next otherwise successful HUBZone small business concern or other offeror.

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.* (A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(C) The taxpayer has entered into an installment agreement pursuant to I.R.C. §6159. The taxpayer is making timely payments and is in full compliance with the agreement terms. The taxpayer is not delinquent because the taxpayer is not currently required to make full payment.

(D) The taxpayer has filed for bankruptcy protection. The taxpayer is not delinquent because enforced collection action is stayed under 11 U.S.C. 362 (the Bankruptcy Code).

52.225-25 PROHIBITION ON CONTRACTING WITH ENTITIES ENGAGING IN SANCTIONED ACTIVITIES RELATING TO IRAN - REPRESENTATION AND CERTIFICATION (JUN 2020) FAR**52.229-11 TAX ON CERTAIN FOREIGN PROCUREMENTS —NOTICE AND REPRESENTATION (JUN 2020) FAR**

(a) *Definitions.* As used in this provision --

Foreign person means any person other than a United States person.

Specified Federal procurement payment means any payment made pursuant to a contract with a foreign contracting party that is for goods, manufactured or produced, or services provided in a foreign country that is not a party to an international procurement agreement with the United States. For purposes of the prior sentence, a foreign country does not include an outlying area.

United States person as defined in 26 U.S.C. 7701(a)(30) means --

- (1) A citizen or resident of the United States;
- (2) A domestic partnership;
- (3) A domestic corporation;
- (4) Any estate (other than a foreign estate, within the meaning of 26 U.S.C. 701(a)(31)); and
- (5) Any trust if --
 - (i) A court within the United States is able to exercise primary supervision over the administration of the trust; and
 - (ii) One or more United States persons have the authority to control all substantial decisions of the trust.

(b) Unless exempted, there is a 2 percent tax of the amount of a specified Federal procurement payment on any foreign person receiving such payment. See 26 U.S.C. 5000C and its implementing regulations at 26 CFR 1.5000C-1 through 1.5000C-7.

(c) Exemptions from withholding under this provision are described at 26 CFR 1.5000C-1(d)(5) through (7). The Offeror would claim an exemption from the withholding by using the Department of the Treasury Internal Revenue Service Form W-14, Certificate of Foreign Contracting Party Receiving Federal Procurement Payments, available via the internet at www.irs.gov/w14. Any exemption claimed and self-certified on the IRS Form W-14 is subject to audit by the IRS. Any disputes regarding the imposition and collection of the 26 U.S.C. 5000C tax are adjudicated by the IRS as the 26 U.S.C. 5000C tax is a tax matter, not a contract issue. The IRS Form W-14 is provided to the acquiring agency rather than to the IRS.

(d) For purposes of withholding under 26 U.S.C. 5000C, the Offeror represents that --

- (1) It is is not a foreign person; and
- (2) If the Offeror indicates "is" in paragraph (d)(1) of this provision, then the Offeror represents that --I am claiming on the IRS Form W-14 a full exemption, or partial or no exemption [*Offeror shall select one*] from the excise tax.

(e) If the Offeror represents it is a foreign person in paragraph (d)(1) of this provision, then --

- (1) The clause at FAR 52.229-12, Tax on Certain Foreign Procurements, will be included in any resulting contract; and
- (2) The Offeror shall submit with its offer the IRS Form W-14. If the IRS Form W-14 is not submitted with the offer, exemptions will not be applied to any resulting contract and the Government will withhold a full 2 percent of each payment.

(f) If the Offeror selects "is" in paragraph (d)(1) and "partial or no exemption" in paragraph (d)(2) of this provision, the Offeror will be subject to withholding in accordance with the clause at FAR 52.229-12, Tax on Certain Foreign Procurements, in any resulting contract.

(g) A taxpayer may, for a fee, seek advice from the Internal Revenue Service (IRS) as to the proper tax treatment of a transaction. This is called a private letter ruling. Also, the IRS may publish a revenue ruling, which is an official interpretation by the IRS of the Internal Revenue Code, related statutes, tax treaties, and regulations. A revenue ruling is the conclusion of the IRS on how the law is applied to a specific set of facts. For questions relating to the interpretation of the IRS regulations go to <https://www.irs.gov/help/tax-law-questions>.
