V. SUPPLIES OF SERVICES AND PRICES

ITEMS: Full-Line Fresh Fruit and Vegetables

CUSTOMERS: DoD Troop customers in the Virginia zone listed in Attachment 2 of this document.

FOB TERMS: FOB Destination for all items.

NOTE: Paragraph (d) of the Economic Price Adjustment provision contained in the Solicitation enforces an upward ceiling on any economic price adjustments applicable to the instant Contract. Specifically, for Group 1a, and 1b Virginia, the aggregate of contract Delivered Price increases for each item under this provision during the contract period inclusive of any tier period(s) shall not exceed 100% of the initial delivered price for each contract unit price. The respective percent (%) ceiling for each line item is in effect throughout the entire length of the contract period. To further illustrate this point, Attachment 1 (Final Pricing) includes a separate column that identifies the percentage EPA ceiling for the individual Delivered Prices of each line item on the catalog. This price represents the maximum increase in Delivered Price allowable for the entire 4-year length of the Contract. For additional information, see the EPA provision as specified in the Solicitation. That said, please be aware that just because an awardee furnishes a price revision on a biweekly basis that falls within the EPA clause's 100 percent (%) for DoD Troop customers ceiling for Group 1a, 1b, does not automatically deem that price "fair and reasonable" and thus acceptable. The EPA provision is merely one separate factor that is considered by the Contracting Officer in arriving at his/her final "fair and reasonable" price determinations. Therefore, it is important to note that all other provisions of the Solicitation/Contract must be adhered to in conjunction with the aforementioned EPA provision.

CATALOG #: DoD Troop Customers in the Virginia Zone will order under SPE300-24-D-P429.

All catalog pricing is valid from Sunday of the first week of the cycle thru the following Saturday of the second week of the cycle. All pricing will be firm at time of order. Catalog updates must be received no later than 12:00 P.M. EST the preceding Wednesday.

The DoD Troop is required to place orders no later than 48 hours before the delivery date. Norfolk Banana will not invoke any additional charges for emergency orders. As specified by the customer, all emergency order (s) for supplies must be the same day or next day.

Once submitted through the applicable electronic ordering system (i.e., STORES) an order may be cancelled by a customer up to one (1) day before scheduled delivery via written (e.g., Email) notification to the Contractor and the Contracting Officer. Less than one (1) day from delivery, an order may be cancelled by mutual agreement between the customer and the Contractor. In the event of an act of God, such as extreme

weather, the specific situation regarding a cancelled delivery, within less than 1 day, will be dealt with in an equitable manner by the Contracting Officer, who has the ultimate authority and discretion to resolve said issues.
