- (B) Affected contract number and delivery order number, if applicable;
- (C) Affected contract line item or subline item, if applicable; and
- (D) Contractor point of contact.

- (A) The Contracting Officer and the Contractor are unable to reach agreement on the existence or amount of a debt within 30 days;

- (C) The Contractor requests a deferment of collection on a debt previously demanded by the Contracting Officer (see [32.607-2](#)).

(iv) If a demand for payment was previously issued for the debt, the demand for payment included in the final decision shall identify the same due date as the original demand for payment.

(v) Amounts shall be due at the earliest of the following dates:

- (A) The date fixed under this contract.
- (B) The date of the first written demand for payment, including any demand for payment resulting from a default termination.

(vi) The interest charge shall be computed for the actual number of calendar days involved beginning on the due date and ending on—

- (B) The date of issuance of a Government check to the Contractor from which an amount otherwise payable has been withheld as a credit against the contract debt; or

(m) *Termination for cause*. The Government may terminate this contract, or any part hereof, for cause in the event of any default by the Contractor, or if the Contractor fails to comply with any contract terms and conditions, or fails to provide the Government, upon request, with adequate assurances of future performance. In the event of termination for cause, the Government shall not be liable to the Contractor for any amount

for supplies or services not accepted, and the Contractor shall be liable to the Government for any and all rights and remedies provided by law. If it is determined that the Government improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

(n) *Title*. Unless specified elsewhere in this contract, title to items furnished under this contract shall pass to the Government upon acceptance, regardless of when or where the Government takes physical possession.

(o) *Warranty*. The Contractor warrants and implies that the items delivered hereunder are merchantable and fit for use for the particular purpose described in this contract.

(1) Unless exempted by an addendum to this contract, the Contractor is responsible during performance and through final payment of any contract for the accuracy and completeness of the data within the SAM database, and for any liability resulting from the Government's reliance on inaccurate or incomplete data. To remain registered in the SAM database after the initial registration, the Contractor is required to review and update on an annual basis from the date of initial registration or subsequent updates its information in the SAM database to ensure it is current, accurate and complete. Updating information in the SAM does not alter the terms and conditions of this contract and is not a substitute for a properly executed contractual document.

(2)(i) If a Contractor has legally changed its business name, "doing business as" name, or division name (whichever is shown on the contract), or has transferred the assets used in performing the contract, but has not completed the necessary requirements regarding novation and change-of-name agreements in FAR [Subpart 42.12](#), the Contractor shall provide the responsible Contracting Officer a minimum of one business day's written notification of its intention to (A) change the name in the SAM database; (B) comply with the requirements of [Subpart 42.12](#); and (C) agree in writing to the timeline and procedures specified by the responsible Contracting Officer. (3) The Contractor shall not change the name or address for EFT payments or manual payments, as appropriate, in the SAM record to reflect an assignee for the purpose of assignment of claims (see [Subpart 32.8](#), Assignment of Claims). Assignees shall be separately registered in the SAM database. Information provided to the Contractor's SAM record that indicates payments, including those made by EFT, to an ultimate recipient other than that Contractor will be considered to be incorrect information within the meaning of the "Suspension of payment" paragraph of the EFT clause of this contract.

(i) Any such clause is unenforceable against the Government.

(ii) Neither the Government nor any Government authorized end user shall be deemed to have agreed to such clause by virtue of it appearing in the EULA, TOS, or similar legal instrument or agreement. If the EULA, TOS, or similar legal instrument or agreement is invoked through an "I agree" click box or other comparable mechanism (e.g., "click-wrap" or "browse-wrap" agreements), execution does not bind the Government or any Government authorized end user to such clause.

(iii) Any such clause is deemed to be stricken from the EULA, TOS, or similar legal instrument or agreement.

(2) Paragraph (u)(1) of this clause does not apply to indemnification by the Government that is expressly authorized by statute and specifically authorized under applicable agency regulations and procedures.

2. Paragraph (c), Changes, is deleted in its entirety and replaced with the following:

(c) Changes.

(1) The Contracting Officer, at his/her discretion, may unilaterally invoke any of the contingency options set forth in this contract.

(2) The Contracting Officer may at any time, by unilateral written order, make changes within the general scope of this contract in any one or more of the following:

(ii) place, manner, or time of delivery.

If such change causes an increase or decrease in the cost of, or time required for, performance for any part of the work under this contract, the Contracting Officer shall make equitable adjustment in the contract price, the delivery schedule, or both, and shall modify the contract.

The Contractor must assert its right to an adjustment under this clause within thirty (30) days from the date of receipt of the written order. Electronic invoices should be filed promptly (i.e. once all credits and/or credit adjustments are made) and in any case, in fewer than 90 days after delivery.**

(5) **Invoice transactions may be submitted to DLA TROOP SUPPORT daily; however, it cannot be stressed enough that all internal debit/credit transactions must be completed prior to the submission of the invoice.** Invoice lines that do not contain the correct invoice data and/or contain incorrect quantities delivered or prices charged will be rejected. The vendor will be responsible for correction and re-submission.

CONTINUED ON NEXT PAGE

- (6) The same invoice cannot be submitted with different dollar amounts.
- (7) Vendors will be required to submit test 810 transactions sets 30 days prior to the first order. Invoices may not be submitted as "LIVE DATA" until a test transaction set has been cleared.
- (8) **For catch weight items, standard rounding methods must be observed, i.e. <5: rounded down; =5 or >5: rounded up. All weights must be rounded to whole pounds using standard rounding methods.** Any line submitted for other than whole numbers will be rejected and require correction and re-submission by the vendor.
- (9) Unit prices and extended prices must be formatted not more than two (2) decimal places to the right of the decimal point. Subsistence Total Order and Receipt Electronic System (STORES) will not accommodate positions of 3 and above beyond the decimal point (see reference 1).
- (10) The following address must appear in the "Bill To" or "Payment Will Be Made By" block of the contractor's invoice:

DFAS – Columbus Center  
Attn: DFAS – BVDP (SL4701-BSM)  
PO Box 369031  
Columbus, OH 43236-9031

- (11) Each invoice shall contain sufficient data for billing purposes. This includes, but is not limited to:

Contract Number, Call or Delivery Order Number, and Purchase Order Number;  
DoDAAC;  
Contract line listed in numeric sequence (also referred to as CLIN order);  
Item nomenclature;  
LSN or NSN;  
Quantity purchased per item in DLA TROOP SUPPORT's unit of issue;  
Total dollar value on each invoice (reflecting changes to the shipment, if applicable).

(12) Vendors are required to use the Vendor Reconciliation Tool [see 4.(10) below] to identify and correct mismatches between invoices submitted and customers posted receipts. It is the responsibility of the contractor to adjust as necessary and communicate with the customer or DLA TROOP SUPPORT as needed, in order to resolve any/all discrepancies. In the event of an unresolved payment discrepancy, the vendor must present a signed delivery ticket/invoice.

4. Paragraph (i), Payment, is revised to add the following:

(7) DFAS Columbus Center is the payment office for this acquisition.

(8) All 810 electronic invoices must be submitted with accurate, sufficient, clean data before any payment can be made.

(9) All offerors must have the ability to accept an 820 transaction set from its financial institution. DFAS Columbus will no longer forward a detailed summary of payment(s); this information will only be available from your bank.

**(10) Vendor Reconciliation Tool:** In an effort to improve the payment process, vendors will have availability to view what the customer has or has not receipted, via the Business Systems Modernization (BMS) website [https://131.82.243.43/recon\\_tool/Login.asp](https://131.82.243.43/recon_tool/Login.asp). The contractor will have access to "unreconciled" information, i.e. the invoice does not match the receipt because of a quantity or price discrepancy, or because the customer has not posted a receipt. Both invoice information and receipt information will be available for review on the BSM website by the contractor. While the vendor will not have the capability to update customer receipt information, update capability will be available for unreconciled invoice information for approximately 30 days.

(11) The Government intends to make payments under the resultant contract by electronic funds transfer (EFT). Reference Clause 52.232-33, "Mandatory Information for Electronic Funds Transfer Payment" appearing in the section of this solicitation entitled "Contract Clauses". However, the election as to whether to make payment by check or electronic funds transfer is at the option of the Government.

5. Paragraph (m), Termination for Cause. Delete paragraph (m) in its entirety and substitute the following:

(m) Termination for Cause. In the event of termination for cause, the Government shall not be liable to the Contractor for any amount for supplies or services not accepted, and the Contractor shall be liable to the

Government for any and all rights and remedies provided by law. If this contract is terminated in whole or in part for cause, and the supplies or services covered by the contract so terminated are repurchased by the Government, the Government will incur administrative costs in such repurchases. The Contractor and the Government expressly agree that, in addition to any excess costs of repurchase, or any other damages resulting from such default, the Contractor shall pay, and the Government shall accept, the sum of \$1155.00 as payment in full for the administrative costs of such repurchase. This assessment of damages for administrative costs shall apply for any termination for cause following which the Government repurchases the terminated supplies or services together with any incidental or consequential damages incurred because of the termination. If it is determined that the Government improperly terminated this contract for default, such termination shall be deemed a termination for convenience.

6. Paragraph (o), Warranty, is revised to add the following:

“In the event that a product recall is initiated by the contractor, grower or manufacturer, the contractor shall following the procedures as outlined below:

Immediately notify the following personnel:

- (i) Customers that have received the recalled product;
- (ii) DLA TROOP SUPPORT Contracting Officer;
- (iii) DLA TROOP SUPPORT Account Manager; and
- (iv) DLA TROOP SUPPORT Consumer Safety Officer at 215-737-3845

Provide the following information to the DLA TROOP SUPPORT Consumer Safety Officer:

- (v) List of customers that have received product; and
- (vi) Name and phone number of responsible person (Recall Coordinator)

The contractor shall provide a Final Status Report of Recall, when completed, to the DLA TROOP SUPPORT Consumer Safety Officer.”

The supplies furnished under the resultant contract(s) shall be covered by the most favorable commercial warranties that the contractor gives to any customer. The supplies and the rights and remedies provided therein are in addition to, and do not limit, any rights afforded to the Government by Clause 52.212-4(o) “Warranty”, “Contract Terms and Conditions-Commercial Items” and any addendum contained in the solicitation.

7. Paragraph (t), Central Contractor Registration(CCR).

Add the following:

(5) Definitions.

“Central Contractor Registration (CCR) Database” means the primary Government repository for contractor information required for the conduct of business with the Government.

“Commercial and Government Entity (CAGE) Code” means—

(a) A code assigned by the Defense Logistics Information Service (DLIS) to identify a commercial or Government entity; or

(b) A code assigned by a member of the North Atlantic Treaty Organization that DLIS records and maintains in the CAGE master file. This type of code is known as an “NCAGE code”.

“Data Universal Number System (DUNS) Number” means the 9-digit number assigned by Dun and Bradstreet, Inc. (D&B) to identify unique business entities.

“Data Universal Numbering System+4 (DUNS+4) Number” means the DUNS number assigned by D&B plus a 4-character suffix that may be assigned by a business concern. (D&B has no affiliation with this 4-character suffix.) This 4-character suffix may be assigned at the discretion of the business concern to establish additional CCR records for identifying alternative Electronic Funds Transfer (EFT) accounts (see Subpart 32.11 of the Federal Acquisition Regulation) for the same parent concern.

“Registered in the CCR Database” means that—

(a) The Contractor has entered all mandatory information, including the DUNS number or the DUNS+4 number, into the CCR database;

(b) The Contractor’s CAGE code is in the CCR database; and

(c) The Government has validated all mandatory data fields to include validation of the Taxpayer Identification Number (TIN) with the Internal Revenue Service, and has marked the records “Active”. The Contractor will be required to provide consent for TIN validation to the Government as part of the CCR registration process.

8. Add: Paragraph (u), *Contractor Performance Assessment Reporting System (CPARS)*:

Background

CONTINUED ON NEXT PAGE

Contractor Performance Assessment Reporting System (CPARS) is now hosting web-enabled applications that are used to collect and manage a library of automated contractor performance evaluations that are completed in accordance with FAR Parts 36 and 42. FAR Part 36 identifies the requirements for documenting contractor performance for architect-engineer and construction contracts while FAR Part 42 identifies requirements for documenting contractor performance for systems and non-systems acquisitions. The CPARS applications are designed for UNCLASSIFIED use only. Classified information is not to be entered into these systems. In general, contractor performance assessments or evaluations provide a record, both positive and negative, for a given contract during a specified period of time. When evaluating contractor performance each assessment or evaluation is based on objective facts and is supported by program and contract management data, such as cost performance reports, customer comments, quality reviews, technical interchange meetings, financial solvency assessments, construction/production management reviews, contractor operations reviews, functional performance evaluations, and earned contract incentives.

2. Effective October 1, 2006, a Department of Defense (DoD) Public Key Infrastructure (PKI) Certificate will be required for all DoD users accessing CPARS. Effective November 1, 2006, a DoD PKI Certificate will be required for all Contractor users accessing CPARS. The requirement for PKI certificates is implemented in accordance with DoD security policy promoting secure electronic transactions.

B. Obtaining a PKI certificate

Contractors who do not work at a Department of Defense facility may purchase a DoD PKI certificate from one of three External Certificate Authorities (ECAs). The ECAs are vendors who provide digital certificates to DoD's industry partners who are using their own equipment or working in non-government facilities. A list of ECAs is available at [http://www.cpars.csd.disa.mil/pki\\_info.htm](http://www.cpars.csd.disa.mil/pki_info.htm). Each contractor employee accessing CPARS will need an Identity Certificate (An Encryption Certificate is not required). Certificate prices range in from \$99 - \$115 per certificate per year, with volume discounts at some ECAs.

**Each contractor must fully comply with the DoD requirement to implement PKI in order for our information systems to remain secure and viable.**

(h) *Certification Regarding Responsibility Matters (Executive Order 12689)*. (Applies only if the contract value is expected to exceed the simplified acquisition threshold.) The offeror certifies, to the best of its knowledge and belief, that the offeror and/or any of its principals—

(1) o Are, o are not presently debarred, suspended, proposed for debarment, or declared ineligible for the award of contracts by any Federal agency;

(2) o Have, o have not, within a three-year period preceding this offer, been convicted of or had a civil judgment rendered against them for: commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a Federal, state or local government contract or subcontract; violation of Federal or state antitrust statutes relating to the submission of offers; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, violating Federal criminal tax laws, or receiving stolen property;

(3) o Are, o are not presently indicted for, or otherwise criminally or civilly charged by a Government entity with, commission of any of these offenses enumerated in paragraph (h)(2) of this clause; and

(4) o Have, o have not, within a three-year period preceding this offer, been notified of any delinquent Federal taxes in an amount that exceeds \$3,000 for which the liability remains unsatisfied.

(i) Taxes are considered delinquent if both of the following criteria apply:

(A) *The tax liability is finally determined.* The liability is finally determined if it has been assessed. A liability is not finally determined if there is a pending administrative or judicial challenge. In the case of a judicial challenge to the liability, the liability is not finally determined until all judicial appeal rights have been exhausted.

(B) *The taxpayer is delinquent in making payment.* A taxpayer is delinquent if the taxpayer has failed to pay the tax liability when full payment was due and required. A taxpayer is not delinquent in cases where enforced collection action is precluded.

(ii) *Examples.*

(A) The taxpayer has received a statutory notice of deficiency, under I.R.C. §6212, which entitles the taxpayer to seek Tax Court review of a proposed tax deficiency. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek Tax Court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

(B) The IRS has filed a notice of Federal tax lien with respect to an assessed tax liability, and the taxpayer has been issued a notice under I.R.C. §6320 entitling the taxpayer to request a hearing with the IRS Office of Appeals contesting the lien filing, and to further appeal to the Tax Court if the IRS determines to sustain the lien filing. In the course of the hearing, the taxpayer is entitled to contest the underlying tax liability because the taxpayer has had no prior opportunity to contest the liability. This is not a delinquent tax because it is not a final tax liability. Should the taxpayer seek tax court review, this will not be a final tax liability until the taxpayer has exercised all judicial appeal rights.

**52.216-9064 - ECONOMIC PRICE ADJUSTMENT (EPA) – ACTUAL MATERIAL COSTS FOR SUBSISTENCE DELIVERED PRICE BUSINESS MODEL – DLA TROOP SUPPORT SUBSISTENCE PRIME VENDOR (SPV) CONTIGUOUS UNITED STATES (CONUS), ALASKA, AND HAWAII (APR 2014)**

(a) Warranties. For the portion of the schedule that is covered by this EPA clause, the Contractor warrants that—

(1) Contract unit prices covered by this contract do not include allowances for any portion of the contingency covered by this clause; and

(2) Price adjustments invoiced under this contract shall be computed in accordance with the provisions of this clause.

(b) Definitions. As used throughout this clause, the term:

(1) “Private label holder” means:

(i) A manufacturer or grower with whom the contractor holds an ownership and/or financial interest, or ownership and/or financial interest in a specific item(s) produced by a manufacturer or grower; or

(ii) An entity holding an intellectual property interest, whether by ownership or license, in the label under which product is being sold in the commercial marketplace; or

(iii) An entity holding exclusive marketing and/or sales authority of a product, or one holding property rights in a proprietary product formula.

(2) “Redistributor” means an entity independent of the contractor from which the contractor purchases product for purposes of consolidating quantities and/or obtaining a competitive delivered price.

**CONTINUED ON NEXT PAGE**

(3) "Standard Freight" means the published list price or prevailing market rate for transportation of subsistence and food service operating supplies, i.e. the transportation charge for delivery from the manufacturer/grower/private label holder or redistributor to the SPV Contractor. This may include inter-division transfers between the SPV Contractor's warehouses provided the delivered price (inclusive of standard freight) of a product at a given time is identical to the delivered price of the same product at the same time to other commercial customers in the SPV Contractor's electronic purchasing system.

(i) In the event the SPV Contractor picks up product free on board (f.o.b.) origin from a manufacturer/grower/ private label holder, or arranges for delivery transportation from a third party source other than the manufacturer/grower/private label holder, the standard freight charge shall be based on market tariffs/conditions and shall not exceed the lesser of:

(A) The manufacturer/grower/private label holder's or manufacturer/grower/private label holder's carrier's freight price normally payable by the SPV Contractor for inbound shipments of such products and quantities to the Contractor's distribution point; or

(B) An average price based on market conditions for freight in the same market for the same type of freight service for like products, shipping methods and quantities.

(ii) In rare circumstances, and only with the Contracting Officer's written approval, the SPV Contractor may use drop shipments, i.e. the product is shipped directly from the manufacturer/grower / private label holder to the customer without the SPV Contractor taking possession. This may involve transportation charges using non-standard freight such as FedEx, United Parcel Service (UPS), or the United States (U.S.) Postal Service. In such instances the Contracting Officer will determine price reasonableness on the unit price inclusive of freight.

(4) "Contract unit price" means the total price per unit charged to DLA Troop Support for a product delivered to DLA Troop Support's customers. The Contract unit price consists of three components: delivered price plus distribution price less Government rebates and discounts. The unit price sum of the three component prices shall be rounded up or down as applicable, to the nearest cent to determine the final Contract unit price.

(5) Delivered price.

(i) Delivered price" means the most recent manufacturer, grower, or private label holder commercial price per unit to the Contractor, inclusive of all standard freight, that is input in the contractor's purchasing system as the starting basis for its pricing to customers prior to the application of any specific distribution fees, rebates, discounts, limited discounts, or other financial agreements with the Contractor's customers. The delivered price shall be based on f.o.b. destination delivered using standard freight. The delivered price shall exclude all costs that are to be covered in the distribution price. The SPV Contractor warrants that the delivered price to its delivering warehouse of a product sold at any given time by the SPV Contractor to DLA Troop Support customers is identical to the delivered price of such product sold at the same time to its other customers.

(A) Exception: For mandatory source items, the delivered price shall be limited to the nonprofit agency's price for product as set in accordance with applicable law, plus standard freight.

(B) Exception: A redistributor's price for a specific manufacturer/grower/private label holder's product (or stock keeping unit (SKU)) may be used as long as the redistributor's price for the quantity ordered is equal to or lower than the manufacturer's/ grower's/ private label holder's current price inclusive of Government rebates and discounts (as defined below). Supporting documentation (published price list, manufacturer letter/email, or similar proof of price comparison) may be required. The determination that the supporting documentation is sufficient to establish the manufacturer's/ grower's/ private label holder's current price rests solely with the Contracting Officer.

(C) Exception: Standard freight may not apply to drop shipments and f.o.b. origin pickups.

(ii) The Contractor shall utilize best commercial practices in purchasing its food items under this contract, to include seeking and using competition to the maximum extent practicable for all purchases and purchasing in the most economical order quantities and terms and conditions.

(6) "Distribution Price(s)" means the firm fixed price portion of the Contract Unit price, offered as a dollar amount per unit of issue, rounded up or down to the nearest cent. The distribution price is the only method for the Contractor to bill the Government for all aspects of contract performance other than delivered price; including but not limited to, the performance requirements of the statement of work (SOW) for the applicable SPV solicitation and resulting contract. As detailed above in paragraph (5), delivered price is distinct from and not to be included in the distribution price. For both drop shipments and Government pick-ups, the Contracting Officer may negotiate a reduced distribution price with the Contractor since the Contractor is not handling the product.

(7) "Government rebates and discounts" means all rebates, discounts, and limited discounts designated for the Government, including National Allowance Pricing Agreements (NAPA) discounts, food show discounts, early payment discounts (other than qualifying early payment discounts as

**CONTINUED ON NEXT PAGE**

defined in the Rebates, Discounts and Price Related Provisions section of the solicitation), and any other rebates, discounts, or similar arrangements designated by the manufacturer/grower/ private label holder or redistributor to be passed to the Government or passed to all customers without specific designation. In accordance with other provisions of the contract (and subject to any applicable exceptions in those provisions), all Government rebates and discounts shall be passed to the Government via a reduced catalog price (i.e. "off invoice"). Any Government rebates and discounts that must be passed to the Government and which cannot be applied as an up-front price reduction must be submitted via check payable to the U.S. Treasury, with an attached itemized listing of all customer purchases by line item to include contract number, call number, purchase order number and contract line item number (CLIN).

(8) "Ordering catalog" means the electronic listing of items and their corresponding Contract unit prices available for ordering under this contract.

(9) "Ordering Week" means from Sunday at 12:01 AM through the following Saturday until midnight (Eastern Time ET, standard or daylight as applicable).

(c) Price adjustments.

(1) General.

(i) All Contract unit prices shall be fixed and remain unchanged until changed pursuant to this clause or other applicable provision of the contract. Only the delivered price component of the Contract unit price is subject to adjustment under this clause. After the first ordering week, if the Contractor's delivered price changes for any or all Contract unit prices, the Contract unit price shall be changed in the next week's ordering catalog upon the Contractor's request, submitted in accordance with paragraph (iii) below, by the same dollar amount of the change in the delivered price, subject to the limitations in paragraph (d). The price change shall be effective at the beginning of the next ordering week. All ordering catalog unit prices computed in accordance with this clause and in effect when an order is placed shall remain in effect for that order through delivery. DLA Troop Support will be charged the Contract unit price in effect at the time of each order regardless of any changes in the unit price occurring in any subsequent ordering week.

(ii) Catalog delivered prices must be reflective of the prime vendor's last receipt price (the price of the stock most recently received into SPV contractor's inventory).

(iii) Updates to the delivered price: All notices and requests for new item delivered prices and price changes shall be submitted weekly, no later than 1:30PM Eastern Time on Wednesday, to be effective in the following ordering week's ordering catalog prices. The delivered price shall have any and all Government rebates and discounts subtractions made prior to presenting the delivered price to DLA Troop Support. The Contractor shall notify the Contracting Officer of its notice/request in the form of an electronic data interchange (EDI) 832 transaction set. The change notice shall include the Contractor's adjustment in the delivered price component of the applicable Contract unit price. Upon the Contracting Officer's acceptance of such EDI 832 price changes in accordance with paragraph (v) below, the price change transaction sets will post in the next week's ordering catalog and each Contract unit price shall be changed by the same dollar amount of the change in the delivered price in the next week's ordering catalog.

(iv) All price changes, and catalog contract prices, are subject to review by the Government. The Contracting Officer may at any time require the submission of supporting data to substantiate any requested price change or the requested continuation of the pre-existing price for any item, including prices applicable to prior ordering weeks. Upon notice from the Contracting Officer that supporting data is required, the Contractor shall promptly furnish to the Government all supporting data, including but not limited to, invoices, quotes, price lists, manufacturer/grower/private label holder documentation regarding Government rebates and discounts, and any other substantiating information requested by the Contracting Officer.

(v) Price change requests that the Contracting Officer questions or finds to be inconsistent with the requirements of this clause shall not be posted until the Contracting Officer specifically authorizes the posting. If the Contracting Officer does not notify the Contractor by close of business Eastern Time each Friday that a price or a price change request is being questioned or has been found to be erroneous, the price change(s) will post to the ordering catalog effective the beginning of the following ordering week. The posting of updated prices in the ordering catalog, calculated in accordance with this clause, constitutes a modification to this contract. No further contract modification is required to effect this change. Any changes that post to the ordering catalog do not constitute a waiver of any of the rights delineated elsewhere in the contract.

(vi) Should the Contracting Officer determine that, or question whether a price change request contained an erroneous unit price or price change, or cannot otherwise determine the changed price(s) to be fair and reasonable, such as when the changed price(s) is(are) higher than lower delivered prices for items of comparable quality which are reasonably available to the Government or Contractor from other sources, the Contracting Officer will so advise the Contractor, prior to close of business Eastern Time on Friday. If the Contracting Officer cannot determine a price fair and reasonable, and the Contracting Officer and the Contractor cannot negotiate a fair and reasonable price, the Contracting Officer may reject any price change and direct in writing that the item in question be removed from the Contractor's ordering catalog, without Government liability. The Contracting Officer may subsequently remove any such item from the ordering catalog if the Contractor fails to remove it. The Government has the

**CONTINUED ON NEXT PAGE**

right to procure such removed items from any alternate source of supply, and the failure of the Contractor to supply such item may be considered negatively in any evaluation of performance.

(vii) In the event of a price change not posting or an ordering catalog contract unit price not computed in accordance with this clause, resulting in an incorrectly increased or decreased Contract unit price, upon discovery of such event the Contractor shall promptly notify the Contracting Officer in writing and promptly thereafter correct its ordering catalog and submit a refund including interest for any amounts paid to the Contractor resulting from the erroneous price. In the event of an erroneous price decrease in the ordering catalog, if the contractor can demonstrate to the satisfaction of the Contracting Officer that the error did not result from the fault or negligence of the Contractor, the Contractor may submit a request for equitable adjustment for consideration by the Contracting Officer.

(2) Limitations. All adjustments under this clause shall be limited to the effect on contract unit prices of actual increases or decreases in the delivered prices for material. There shall be no upward adjustment for—

(i) Supplies for which the delivered price is not affected by such changes;

(ii) Changes in the quantities of materials; and

(iii) Increases in unit prices that the Contracting Officer determines are computed incorrectly (i.e. not adhering to the Contract unit price definition in this clause) and/or increases in unit prices that the Contracting Officer determines are not fair and reasonable.

(3) If the Contracting Officer rejects a proposed adjustment for an item because the adjusted unit price cannot be determined fair and reasonable, the Contractor shall have no obligation to fill future orders for such item as of the effective date of the proposed adjustment unless such item is subsequently added to the contract at a Unit Price that is determined fair and reasonable. Alternately, the item may be retained on the catalog at the prior (unadjusted) price for as long as both parties agree to do so.

(d) Upward ceiling on economic price adjustment. The aggregate of contract delivered price increases for each item under this clause during the contract period inclusive of any option period(s) shall not exceed 30 percent (%) for all items except fresh fruits and vegetables (FF&V) and 90 percent (%) for fresh fruits and vegetables (FF&V) of the initial contract delivered price, except as provided below:

(1) If at any time the Contractor has reason to believe that within the near future a price adjustment under the provisions of this clause will be required that will exceed the current contract ceiling price for any item, the Contractor shall promptly notify the Contracting Officer in writing of the expected increase. In the event the latest actual market price for an item would result in a contract unit price that will exceed the allowable ceiling price under the contract, then the Contractor shall immediately notify the Contracting Officer in writing or via its EDI 832 price change request and separate email no later than the time specified in paragraph (c)(1)(iii) above. With either such notification the Contractor shall include a revised ceiling the Contractor believes is sufficient to permit completion of remaining contract performance, along with appropriate explanation and documentation as required by the Contracting Officer.

(2) If an actual increase in the delivered price would raise a contract unit price for an item above the current ceiling, the Contractor shall have no obligation under this contract to fill future orders for such items, as of the effective date of the increase, unless the Contracting Officer issues a contract modification to raise the ceiling. If the contract ceiling will not be raised, the Contracting Officer shall so promptly notify the Contractor in writing. After evaluation of a requested actual price increase, if the Contracting Officer authorizes the change in the Contract unit price, the Contractor shall submit an EDI 832 price change. The price change shall be posted for the following week's ordering catalog.

(e) Downward limitation on economic price adjustments. There is no downward limitation on the aggregated percentage of decreases that may be made under this clause.

(f) Examination of records. The Contracting Officer or designated representative shall have the right to examine the Contractor's books, records, documents and other data, to include commercial sales data, that the Contracting Officer deems necessary to verify Contractor adherence to the provisions of this clause. Such examination may occur up to twice a year (except as provided for below) until the end of 3 years after the date of final payment under this contract or the time periods specified in Subpart 4.7 of the Federal Acquisition Regulation (FAR), whichever is earlier. These will normally involve Government selection of a statistically significant sample size of invoices/records to examine based on the number of line items on the specific contract catalog. If an examination of records reveals irregularities, further examinations and/or a larger sample size may be required. In addition to normal examination, the Government may conduct additional examinations at the Contracting Officer's discretion.

(g) Final invoice. The Contractor shall include a statement on the final invoice that the amounts invoiced hereunder have applied all decreases required or authorized by this clause.

**CONTINUED ON NEXT PAGE**

(h) Disputes. Any dispute arising under this clause shall be determined in accordance with the "Disputes" clause of the contract.
