**The following revisions apply to the solicitation:**

1. On page 71, revise paragraph (A)(2)(b) – the product price definition/exception 1 as follows:

(b) Exception 1: The product price shall be based on FOB Origin/Point of Importer when the following conditions apply:

(i) The product is listed in category #146 – Prime Vendor Fresh Fruits and Vegetables (FF&V)

and

(ii) It is necessary for the product to be flown into the local market of Kuwait from a foreign country because local supply does not exist or it is insufficient to meet demand requirements.

and

(iii) The importer that establishes the product price is the firm that actually performs the FF&V import service including, but not limited to procurement, storage, consolidation, pallets, palletizing and distribution work.

2. On page 71, revise paragraph (A)(2)(e) as follows:

(e) Upon request, for existing catalog items, for any new items being added to the catalog and for price adjustments to existing catalog items, the Product Price shall be supported with invoice or quote documentation directly from the manufacturer or grower on their letterhead. When the address of the Brand Name Owner differs from the location where the product is actually manufactured, this documentation from the Brand Name Owner must identify both addresses and the product price, as identified above. If exception 1 applies, the Product Price shall be supported with invoice or quote documentation directly from the FF&V importer. If exception 3 applies, the Product Price shall be supported with invoice or quote documentation directly from the nonprofit agency participating in the program operated by the Committee for Purchase From People Who Are Blind or Severely Disabled (the Committee) under the Jarvis-Wagner-O'Day Act (JWOD) (41 U.S.C. 46-48c). Early payment discount terms shall be specified on all invoices and/or quotes. Documents not in English will be accompanied by a copy converted to American dollars at the exchange rate specified using the FXConverter on the OANDA Currency Site (<http://www.oanda.com>) as of the close of business on the effective date of the document.

3. On page 72, revise paragraph (A)(3) – the Normal Distribution Price definition as follows:

3. **Normal Distribution Price:** The normal distribution price is defined as a firm fixed price and offered as a dollar amount, which represents all elements of the unit price, other than the product price and premium distribution price. The normal distribution price includes the Prime Vendor's projected general and administrative expenses, workers compensation insurance as related to the Defense Base Act (DBA) and the Longshore and Harbor Workers Compensation Act, overhead, profit, packaging/marketing/labeling costs, all Non-Point of Manufacturer fees (CONUS and OCONUS Broker, Dealer, and Subcontractor fees) including, but not limited to procurement, storage, consolidation, pallets, palletizing and distribution work (except for FF&V items from a foreign country imported into the local market of Kuwait – in which case all cost incurred by the importer are excluded from normal distribution price). It also includes the Contracting Officer Representatives (COR) office space and equipment, all transportation costs from the original CONUS and OCONUS points of Manufacture to the point where the over ocean container is loaded, all transportation costs from the Prime Vendor's OCONUS distribution facility(s) to customer locations in Kuwait and to the border of Iraq (unless the item is a Contracting Officer-approved National Commercial Price inclusive of transportation costs to a Distribution Point – in which case transportation costs to that Distribution Point are excluded from normal distribution price -- or it is an FF&V item from a foreign country imported into the local market of Kuwait – in which case all cost incurred by the importer are excluded from normal distribution price ). Normal distribution price also includes any other elements of pricing not defined in this solicitation. Additionally, if DTS does not apply as described in paragraph (5) below, the normal distribution price will include all transportation costs from the original OCONUS Point(s) of Manufacture to the Prime Vendor's OCONUS Distribution Facilities. The normal distribution price shall remain fixed for the base period of the contract, and is subject to any agreed option period adjustments. The normal distribution price shall exclude DTS Ocean Shipping Costs referenced below and Premium Distribution Prices separately priced elsewhere in the schedule.
