The following documents are incorporated by reference into the subject contract: your final offer, which is being accepted by the Government to form this contract, Solicitation SPE300-19-R-0001 dated March 5, 2020.

### II. PERFORMANCE PERIOD:

### A. Effective Period of the Contract:

Tier 1 - May 7, 2020 through May 6, 2022

Tier 2 - May 7, 2022 through November 6, 2023

# B. ESTIMATED DOLLAR VALUE/GUARANTEED MINIMUM/MAXIMUM

The following chart includes the 5 year estimated dollar value, along with the guaranteed 10% minimum and 300% maximum. The guaranteed minimum and maximum, although based on estimates, are a firm dollar amount calculated as a percentage of the estimated dollar value; that firm dollar amount constitutes the Government's legal ordering obligation under the contract.

Georgia Zone	24 Month Estimate (1 <sup>st</sup> Tier)	5 Year Estimate (Total Including all Tiers)	10% Guaranteed Minimum (12 months)	300% Max (5 Years)
Group 1 - Troops	\$12,000,000.00	\$30,000,000.00	\$600,000.00	\$90,000,000.00
Group 2 - Schools	\$50,000,000.00	\$125,000,000.00	\$2,500,000.00	\$375,000,000.00
Total	\$62,000,000.00	\$155,000,000.00	\$3,100,000.00	\$465,000,000.00

The term "5 Year Estimate" refers to the Government's good faith estimate of the requirement for all Tier periods.

The total minimum contract dollar value is \$3,100,000.00.

The maximum contract dollar value is \$465,000,000.00.

### III. START-UP PERIOD

The Contractor's startup period will take place prior to the first order and is included in the 24-month Tier 1 period. The Contractor shall submit a proposed implementation schedule to the Contracting Officer within fifteen (15) days after award highlighting the steps that will be taken to implement a fully functional distribution account, including all EDI transactions for all customers covered by this solicitation. An additional sixty (60) days will be granted for actual implementation. No more than ninety (90) days after award will be permitted for each contractor to have fully functional distribution accounts in place for all customers.

Royal Food Service is required to submit the following:

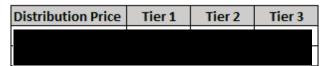

- A. Submit Local Purchase Procurement plan by June 22, 2020, which include the following elements:
  - 1. A list of specific items that the contractor currently purchases locally;
  - 2. A list of local growers from which the contractor sources product;
  - 3. Plans to expand the purchase of local items; and
  - 4. A list of resources that might assist in efforts to source more local products.
- B. Submit a Food Defense Plan (NOTE: download a copy of the DLA Troop Support Food Defense Checklist go to http://www.DLA Troop upport.dla.mil/subs/fs\_check.pdf) by June 22, 2020.
- C. Submit a Quality Control Management Plan by June 22, 2020.

### IV. ORDERING CATALOGS

The following are part of Royal Food Service offer and are hereby incorporated as part of subject contract:

Offered delivered price to be utilized for first week of ordering. The Pricing Proposal spreadsheet submitted on 03/05/2020 is attached.

Distribution price for the Contract Period is as follows:

## **SUPPLIES OF SERVICES AND PRICES**

ITEMS: Full-Line Fresh Fruit and Vegetables

CUSTOMERS: DoD Troop and Non-DoD School Customers in the Georgia Zone listed in Attachment 2 of this document.

FOB TERMS: FOB Destination for all items.

NOTE: Paragraph (d) of the Economic Price Adjustment provision contained in the Solicitation enforces an upward ceiling on any economic price adjustments applicable to the instant Contract. Specifically, the aggregate of contract Delivered Price increases for each line item on the catalog subject to this provision shall not exceed 120 percent (%) for Department of Defense (DoD) Troop and 80 percent (%) for USDA Schools above that line item's initial Delivered Price on the awarded catalog. The respective percent (%) ceiling for each line item is in effect throughout the entire length of the contract period. To further illustrate this point, Attachment 1 (Final Pricing) includes a separate column that identifies the percentage EPA ceiling for the individual Delivered Prices of each line item on the catalog. This price represents the maximum increase in Delivered Price allowable for the entire 5-year length of the Contract. For additional information, see the EPA provision as specified in the Solicitation. That said, please be aware that just because an awardee furnishes a price revision on a weekly basis that falls within the EPA clause's 120 percent (%) for DoD Troops or 80 percent (%) for USDA Schools ceiling, does not automatically deem that price "fair and reasonable" and thus acceptable. The EPA provision is merely one separate factor that is considered by the Contracting Officer in arriving at his/her final "fair and reasonable" price determinations. Therefore, it is important to note that all other provisions of the Solicitation/Contract must be adhered to in conjunction with the aforementioned EPA provision.

**CATALOG #:** DoD Troop customers will order under SPE300-20-D-P353, Non-DoD School customers will order under SPE300-20-D-S353. Royal Food Service will invoice in accordance with the customer's orders.

All catalog pricing is valid from Sunday thru the following Saturday. Catalog updates must be received no later than 12:00 P.M. EST the preceding Wednesday.

The Troop customers are required to place orders for "skip day" delivery. The School Customers are required to place orders no later than 96 hours before delivery date.

All pricing will be firm at time of order.

Royal Food Service will not invoke any additional charges for emergency orders (defined as an order that is placed for same day delivery).
