### REBATES/DISCOUNTS AND PRICE-RELATED PROVISIONS

- (a) The contractor shall employ prevailing commercial methods in the pursuit of discounts, rebates, allowances or other similar economic incentives or benefits, for the customers supported under this contract, throughout the period of performance. All NAPA discounts, food show discounts, early payment discounts (except as identified in paragraph (b) herein), and other discounts, rebates, allowances or other similar economic incentives or benefits received by the Contractor at any time during the period of performance shall be passed to the Government via a reduced catalog price. Instructions for identifying discounts, rebates, allowances or other similar economic incentives or benefits that shall be provided to the Government or retained by the contractor are set forth in the submission requirements in the Business Proposal/Pricing and in the Reports section of the Statement of Work.
- (b) The contractor may retain Early Payment discounts that meet the following conditions:
  - (i) the Early Payment discount is an incentive to encourage payment earlier than the normal payment due date;
  - (ii) the Early Payment discount is consistent with commercial practice;
  - (iii) the Early Payment discount is routinely given by the manufacturer/growers to customers other than the Prime Vendor/Contractor at the same discount rate and under the same conditions as provided to the Prime Vendor/Contractor;

- (iv) the Early Payment discount is not established, requested, or negotiated for the purpose of avoiding giving DLA Troop Support a lower cost or a rebate or in exchange for a higher invoice price;
- (v) the Early Payment discount is no more than 2 percent of the manufacturer/grower's invoice and the early payment is required within 10 days to obtain the discount; and (vi) the contractor actually made the required payment within the time period required to receive the discount.
- (c) Upon request the contractor shall provide to the Government any invoices, quotes, or agreements relevant to the delivered price component for existing catalog items, for any new items being added to the catalog, and for requested price changes to existing catalog items. The contractor must include detailed payment terms on each invoice or quote used to substantiate delivered price, including any applicable discounts or rebates. If there are no payment terms associated with the document, the contractor must annotate it with "No payment terms." (d) The government may require the contractor to submit invoices and other documentation from all subcontractor tiers or any supplier or person in the delivered price supply chain, to substantiate all discounts, rebates, allowances or other similar economic incentives or benefits. If the Contracting Officer determines, after reviewing an invoice or other documentation, that a discount, rebate, allowance or other similar economic incentive or benefit should have been passed on to the Government, or if price verifications reveal any instance of overpricing or underpricing, the Government shall be entitled to a prospective delivered price reduction and a retroactive refund for the amount of the overcharges or discounts, rebates, allowances or other similar economic incentives or benefits, including interest and the contractor shall be entitled to a credit for any undercharges. The Contracting Officer, or authorized representative, shall have the right to examine and audit all the Contractor's records relevant to the existence of discounts, rebates, allowances or other similar economic incentives or benefits, and commercial customer delivered prices. Failure to exercise this right shall not constitute a defense or alter the Government's entitlement to any other remedies by contract or by law.
